September 24, 2020

Kalispell, Columbia Falls, Libby, Great Falls, and Helena: don’t miss the last State-sponsored Health Screening events in your area! Appointments also available at Montana Health Centers.

Dear State Plan Member,

Don’t miss your opportunity to complete a State-sponsored health screening! A State-sponsored health screening is required by October 31, 2020 as part of earning the Live Life Well Incentive for 2021. State-sponsored health screenings are available with an appointment at the off-site events or at a Montana Health Center in Anaconda, Butte, Billings, Helena, or Missoula.

These are the last screening dates of the year in all off-site locations.

Health screening requirements

- Only patients will be allowed to enter the health center or off-site screening events - family members or other guests will not be permitted if not necessary.

- Patients must bring their own face mask and wear it for off-site State-sponsored health screening events. If you cannot gain access to a face mask, please let the health center know prior to arriving for your appointment.

- All patients coming to an off-site health screening event will be asked COVID screening questions and have their temperature taken. If you have contact with anyone with a suspected or confirmed case of COVID-19 and/or are running a temperature of 100 degrees Fahrenheit or greater, PLEASE do not attend the health screening. Contact CareHere so your appointment can be rescheduled.

- Waiting rooms are limited to 2-3 patients at one time. If more than 3 patients are waiting to be seen, excess patients will be requested to wait in their vehicle until their turn. Once inside the health center or off-site screening event, please remember to maintain at least 6 feet of distance from others if possible.

- Appointments are required. Please follow the directions after the off-site schedule, below.

October Off-site State-sponsored Health Screenings: You can access the full health screening schedule HERE.
Appointments are Required

- Log in at carehere.com or call (855) 200-6822. (First time registration code - MANA9.)
- Click on "Make Appointment."
- Select "Nurse & Labs."
- Select your date or range of dates. You can select a range of dates by clicking on the first date then clicking on the last date in your desired range.
- Select the appointment option you prefer from the options given, or change your date range again.
- Fill in "health screening" as the reason for your visit.
- Select how you would like to be reminded of your appointment by selecting the drop-down menu next to "How would you like to be reminded of your appointment"
- Click on “Confirm Appointment.”
- If you cannot attend your scheduled appointment for any reason, cancel your appointment soon as you know you won’t be able to make it. Do not schedule multiple appointments.

Schedule your appointment now to ensure you get your preferred date and to allow screening staff sufficient time to prepare for your appointment.

For questions, please contact CareHere at (855) 200-6822 or help.montana@carehere.com.

*Helena State Library Off-site screenings are also offering flu shots. Schedule for one or both the same time!
