INTRODUCTION

Effective July 1, 2016, State of Montana, hereinafter referred to as the "State" or "Employer", reinstates the benefits, rights and privileges which will pertain to participating Employees, referred to as "Participants," and the eligible Dependents of such Participants, as defined, and which health benefits are provided through a fund established by the State and referred to as the "Plan." This booklet describes the Plan in effect as of July 1, 2016.

Coverage provided under this Plan for Employees and their Dependents will be in accordance with the Eligibility, Effective Date, Qualified Medical Child Support Order, Termination, Family and Medical Leave Act and other applicable provisions as stated in this Plan.

State of Montana (the Plan Sponsor) has retained the services of an independent Plan Supervisor, experienced in claims processing, to handle health claims. The Plan Supervisor for the Plan is:

Allegiance Benefit Plan Management, Inc.
P.O. Box 3018
Missoula, MT 59806-3018

We recommend that you read this booklet carefully before incurring any medical expenses. If you have specific questions regarding coverage or benefits, you are urged to refer to the Plan Document which is available for your review in the Personnel Office or at the office of the Plan Supervisor. If you wish, you may call or write to Allegiance Benefit Plan Management, Inc. regarding any detailed questions you may have concerning the Plan.

This Plan is not intended to, and cannot be used as workers compensation coverage for any Employee or any covered Dependent of an Employee. Therefore, this Plan generally excludes claims related to any activity engaged in for wage or profit including, but not limited to, farming, ranching, part-time and seasonal activities. See Plan Exclusions for specific information.

The information contained in this Plan Document/Summary Plan Description is only a general statement regarding FMLA, COBRA, USERRA, and QMCSO's. It is not intended to be and should not be relied upon as complete legal information about those subjects. Covered Persons and Employers should consult their own legal counsel regarding these matters.

Pre-certification or Pre-treatment Review by the Plan is strongly recommended for certain services. If you choose not to pre-cert or obtain Pre-treatment Review, the charge could be denied if the service, treatment or supply is not found to be Medically Necessary or found to be otherwise excluded by the Plan when the claim is submitted.

APPEAL OF PRESCRIPTION DRUGS BENEFITS DENIED IN WHOLE OR PART

The PROCEDURES FOR CLAIMING BENEFITS contained in this document, including the time lines and notification requirements detailed in that section, generally apply to adverse claims determinations related to Pharmacy Benefits, except that first level appeal claims must be sent to the URx (powered by MedImpact), referred to hereunder as the "Pharmacy Supervisor," at Appeals Department, PO Box 4121, Missoula, Montana 59806 (fax: (801) 640-2142). The Plan Supervisor (Allegiance Benefit Plan Management) does not adjudicate first level appeal claims for Pharmacy Benefits and all references to "Plan Supervisor" throughout this document are replaced by "Pharmacy Supervisor" for claims related to Pharmacy Benefits.

As further discussed in the PROCEDURES FOR CLAIMING BENEFITS contained in this document, Covered Persons have the right to two (2) levels of appeal with respect to an Adverse Benefit Determination. The first level appeal of an Adverse Benefit Determination related to Pharmacy Benefits must be made in writing (or orally by the attending physician in the case of an Adverse Benefit Determination rendered on an Urgent Care Claim) and submitted to URx within one-hundred eighty (180) days of the notification of such Adverse Benefit Determination.

1. **First Level of Pharmacy Benefit Determination Review:**

A Covered Person may initially appeal related to Pharmacy Benefits should include:

- The name of the patient
- The URx member identification number
- Patient date of birth,
- A written statement of the issue,
- The name of the drug being appealed and any documents, records or other pertinent information related to the claim.

The first level appeal and supporting documentation must be mailed or faxed to:

**URx
Appeals Department
PO Box 4121
Missoula, Mt. 59806
Fax: (801) 640-2142**

2. **Second Level of Pharmacy Benefit Determination Review:**

If, based on URx's review, the initial Adverse Benefit Determination remains the same and the Covered Person does not agree with that benefit determination, the Covered Person must initiate the second level of benefit review. The Covered Person must request the second review in writing and send it to URx, not later than sixty (60) days after receipt of URx's decision from the first level of review. Failure to initiate the second level of benefit review within the 60-day time period will render the determination final.

The Plan Administrator will review the claim in question along with the additional information submitted by the Covered Person. The Plan will conduct a full and fair review of the claim by the Plan Administrator who is neither the original decisionmaker nor the decisionmaker's subordinate. The Plan Administrator cannot give deference to the initial benefit determination. The Plan Administrator may, when appropriate or if required by law, consult with relevant health care professionals in making decisions about appeals that involve specialized medical judgment. Where the appeal involves issues of Medical Necessity or experimental treatment, the Plan Administrator will consult with a health care professional with appropriate training who was neither the medical professional consulted in the initial determination nor his or her subordinate.

After a full and fair review of the Covered Person's appeal, the Plan will provide a written or electronic notice of the final benefit determination within a reasonable time, but no later than thirty (30) days from the date the appeal is received by the Plan at each level of review (or 15 days for Pre-Service Claims or 72 hours for Urgent Care claims).

All claim payments are based upon the terms contained in the Plan Document, on file with the Plan Administrator. The Covered Person may request, free of charge, more detailed information, names of any medical professionals consulted and copies of relevant documents, as defined in and required by law, which were used by the Plan to adjudicate the claim.

INDEPENDENT EXTERNAL REVIEW

After exhaustion of all appeal rights stated above, a Covered Person may also request a final independent external review of any Adverse Benefit Determination involving a question of Medical Necessity, or other issue requiring medical expertise for resolution.

To assert this right to independent external medical review, the Covered Person must request such review in writing within one hundred-twenty (120) days after a decision is made upon the second level benefit determination above.

If an independent external review is requested, the entire record on appeal will be forwarded within ten (10) days to an independent external review organization (IRO) selected randomly. The IRO will notify the Covered Person of its procedures to submit further information.

The IRO will issue a final decision within forty-five (45) days after receipt of all necessary information.

The decision of the IRO will be final and binding except that the Covered Person shall have an additional right to appeal the matter to a court with jurisdiction.

COPAYMENT

Copayments are stated in the Schedule of Medical Benefits. Copayments are first-dollar amounts that are payable for certain covered services under the Plan which are usually paid at the time the service is performed (e.g., physician office visits or emergency room visits). MAXIMUM BENEFIT

The amount payable by the Plan will not exceed any Maximum Benefit or Maximum Lifetime Benefit as stated in the Schedule of Medical Benefits, for any reason.

APPLICATION OF DEDUCTIBLE AND ORDER OF BENEFIT PAYMENT

Deductibles will be applied to Eligible Expenses Incurred in the chronological order in which they are adjudicated by the Plan. Eligible Expenses Incurred will be paid by the Plan in the chronological order in which they are adjudicated by the Plan. The manner in which the Deductible is applied and Eligible Expenses are paid by the Plan will be conclusive and binding on all Covered Persons and their assignees.

MEDICAL EXPENSE SELF AUDIT BONUS

The Plan offers an incentive to all Covered Persons to encourage examination and self-auditing of eligible medical bills to ensure the amounts billed by any provider accurately reflect the services and supplies received by the Covered Person. The Covered Person is asked to review all Medical Expenses and verify that each itemized service has been received and that the bill does not represent either an overcharge or a charge for services never received. Participation in this self-auditing procedure is strictly voluntary; however, it is to the advantage of the Plan as well as the Covered Person to avoid unnecessary payment of health care costs.

In the event a self-audit results in elimination or reduction of charges, an amount up to fifty (50%) percent of identified overcharges up to one-thousand (\$1,000) dollars on overcharges of fifty (\$50) dollars or more of the amount eliminated or reduced will be paid directly to the Employee as a bonus, provided the savings are accurately documented, and satisfactory evidence of a reduction in charges is submitted to Allegiance Benefit Plan Management (e.g. a copy of the incorrect bill and a copy of the corrected billing). The bonus shall only apply to charges which have been submitted to and paid by the Plan, and for which an erroneous charge was paid by the Plan. Erroneous charges corrected by the Plan during the claims adjudication process are not eligible for this bonus.

This self-audit is a bonus in addition to the benefits of this Plan. The Covered Person must indicate on the corrected billings "This is a claim for the Medical Expense Self Audit Bonus" in order to receive the bonus.

This bonus will not be payable for charges in excess of the Eligible Expense, regardless of whether the charges are or are not reduced.

COORDINATION OF BENEFITS

The Coordination of Benefits provision prevents the payment of benefits which exceed the Allowable Expense. It applies when the Participant or Dependent who is covered by this Plan is or may also be covered by any other plan(s). This Plan will always pay either its benefits in full or a reduced amount which, when added to the benefits payable by the other plan(s), will not exceed 100% of the Allowable Expense. Only the amount paid by this Plan will be charged against the Plan maximums.

In the event of a motor vehicle or premises accident; or an act of violence with the intent to disrupt electronic, communications, or any other business system, this Plan will be secondary to any auto "no fault" and traditional auto "fault" type contracts, homeowners, commercial general liability insurance and any other medical benefits coverage.

The Coordination of Benefits provision applies whether or not a claim is filed under the other plan or plans. If needed, authorization is hereby given this Plan to obtain information as to benefits or services available from the other plan or plans, or to recover overpayments.

All benefits contained in the Plan Document are subject to this provision.

DEFINITIONS

"Allowable Expense" as used herein means:

1. If the claim as applied to the primary plan is subject to a contracted or negotiated rate, Allowable Expense will be equal to that contracted or negotiated amount.
2. If the claim as applied to the primary plan is not subject to a contracted or negotiated rate, but the claim as applied to the secondary plan is subject to a contracted or negotiated rate, the Allowable Expense will be equal to that contracted or negotiated amount of the secondary plan.
3. If the claim as applied to the primary plan and the secondary plan is not subject to a contracted or negotiated rate, then the Allowable Expense will be equal to the secondary plan's chosen limits for non-contracted providers.

"Plan" as used in this Coordination of Benefits section means any plan providing benefits or services for or by reason of medical, dental or vision treatment, and such benefits or services are provided by:

1. Group insurance or any other arrangement for coverage for Covered Persons in a group whether on an insured or uninsured basis including, but not limited to:
 - A. Hospital indemnity benefits; and
 - B. Hospital reimbursement-type plans which permit the Covered Person to elect indemnity at the time of claims; or
2. Hospital or medical service organizations on a group basis, group practice and other group pre-payment plans; or
3. Hospital or medical service organizations on an individual basis having a provision similar in effect to this provision; or
4. A licensed Health Maintenance Organization (H.M.O.); or
5. Any coverage for students which is sponsored by, or provided through a school or other educational institution; or

6. Any coverage under a Governmental program, and any coverage required or provided by any statute.

“Plan” in this Coordination of Benefits section will be construed separately with respect to each policy, contract, or other arrangement for benefits or services, and separately with respect to that portion of any such policy, contract, or other arrangement which reserves the right to take the benefits or services of other plans into consideration in determining its benefits and that portion which does not.

ORDER OF BENEFIT DETERMINATION

1. Non-Dependent/Dependent

The plan that covers the person as other than a dependent, (e.g., as an employee, member, subscriber, retiree) is primary and the plan that covers the person as a dependent is secondary.

2. Child Covered Under More Than One Plan

A. The primary plan is the plan of the parent whose birthday is earlier in the year if:

- 1) The parents are married;
- 2) The parents are not separated (whether or not they have ever been married), or
- 3) A court decree awards joint custody without specifying that one parent has the responsibility to provide health care coverage.

B. If both parents have the same birthday, the plan that has covered either of the parents longer is primary.

C. If the specific terms of a court decree state that one of the parents is responsible for the child’s health care expenses or health care coverage and the plan of that parent has actual knowledge of those terms, that plan is primary. If the parent with financial responsibility has no coverage for the child’s health care services or expenses, but that parent’s spouse does, the spouse’s plan is primary. This subparagraph will not apply with respect to any claim determination period, Benefit Period or Plan Year during which benefits are paid or provided before the entity has actual knowledge.

D. If the parents are not married or are separated (whether or not they were ever married) or are divorced, and there is no court decree allocating responsibility for the child’s health care services or expenses, the order of benefit determination among the plans of the parents and the parents’ spouses (if any) is:

- 1) The plan of the custodial parent.
- 2) The plan of the spouse of the custodial parent.
- 3) The plan of the non-custodial parent.
- 4) The plan of the spouse of the non-custodial parent.

3. Active or Inactive Employee

The plan that covers a person as an employee who is neither laid-off nor retired (or as that employee’s dependent) is primary. If the other plan does not have this rule, and if, as a result, the plans do not agree on the order of benefits, this rule will not be followed.

4. **Longer or Shorter Length of Coverage**

If the preceding rules do not determine the order of benefits, the plan that has covered the person for the longer period of time is primary.

- A. To determine the length of time a person has been covered under a plan, two plans will be treated as one if the Covered Person was eligible under the second within 24 hours after the first ended.
- B. The start of a new plan does not include:
 - 1) A change in the amount or scope of a plan's benefits;
 - 2) A change in the entity that pays, provides, or administers the plan's benefits; or
 - 3) A change from one type of plan to another (such as from a single employer plan to that of a multiple-employer plan).
- C. A person's length of time covered under a plan is measured from the person's first date of coverage under that plan. If that date is not readily available for a group plan, the date the person first became a member of the group will be used as the date from which to determine the length of time the person's coverage under the present plan has been in force.

5. **No Rules Apply**

If none of these preceding rules determines the primary plan, the Allowable Expense will be determined equally between the plans.

COORDINATION WITH MEDICARE

Medicare Part A and Part B will be considered a plan for the purposes of coordination of benefits. This Plan will coordinate benefits with Medicare whether or not the Covered Person is actually receiving Medicare Benefits.

1. **For Working Aged**

A covered Employee who is eligible for Medicare Part A and Part B as a result of age may be covered under this Plan and be covered under Medicare, in which case this Plan will pay primary. A covered Employee, eligible for Medicare Part A and Part B as a result of age, may elect not to be covered under this Plan. If such election is made, coverage under this Plan will terminate.

A covered Dependent, eligible for Medicare Part A and Part B as a result of age, of a covered Employee may also be covered under this Plan and be covered under Medicare, in which case this Plan again will pay primary. A covered Dependent, eligible for Medicare Part A and Part B as a result of age, may elect not to be covered under this Plan. If such election is made, coverage under this Plan will terminate.

2. **For Retired Persons**

Medicare is primary and this Plan will be secondary for the covered Retiree if he/she is an individual who is enrolled in Medicare Part A as a result of age and retired.

Medicare is primary and this Plan will be secondary for the covered Retiree's Dependent who is enrolled in Medicare Part A if both the covered Retiree and his/her covered Dependent are enrolled in Medicare Part A as a result of age and retired.

Medicare is primary for the Retiree's Dependent when the Retiree is not enrolled for Medicare Part A as a result of age and the Retiree's Dependent is enrolled in Medicare Part A as a result of age.

3. For Covered Persons who are Disabled

For plans with fewer than 100 employees, Medicare is primary and this Plan will be secondary for the covered Employee or any covered Dependent who is eligible for Medicare by reason of disability.

For plans with 100 employees or more, this Plan is primary and Medicare will be secondary for the covered Employee or any covered Dependent who is eligible for Medicare by reason of disability, if the Employee is actively employed by the Employer.

For plans with 100 employees or more, this Plan is secondary and Medicare will be primary for the covered Employee or any covered Dependent who is eligible for Medicare by reason of disability if the Employee is retired or otherwise not actively working for the Employer.

4. For Covered Persons with End Stage Renal Disease

Except as stated below*, for Employees or Retirees and their Dependents, if Medicare eligibility is due solely to End Stage Renal Disease (ESRD), this Plan will be primary only during the first thirty (30) months of Medicare coverage. Thereafter, this Plan will be secondary with respect to Medicare coverage, unless after the thirty-month period described above, the Covered Person has no dialysis for a period of twelve (12) consecutive months and:

- A. Then resumes dialysis, at which time this Plan will again become primary for a period of thirty (30) months; or
- B. The Covered Person undergoes a kidney transplant, at which time this Plan will again become primary for a period of thirty (30) months.

*If a Covered Person is covered by Medicare as a result of disability, and Medicare is primary for that reason on the date the Covered Person becomes eligible for Medicare as a result of End Stage Renal Disease, Medicare will continue to be primary and this Plan will be secondary.

COORDINATION WITH MEDICAID

If a Covered Person is also entitled to and covered by Medicaid, this Plan will always be primary and Medicaid will always be secondary coverage.

COORDINATION WITH TRICARE/CHAMPVA

If a Covered Person is also entitled to and covered under TRICARE/CHAMPVA, this Plan will always be primary and TRICARE/CHAMPVA will always be secondary coverage. TRICARE coverage will include programs established under its authority, known as TRICARE Standard, TRICARE Extra and TRICARE Prime.

If the Covered Person is eligible for Medicare and entitled to veterans benefits through the Department of Veterans Affairs (VA), this Plan will always be primary and the VA will always be secondary for non-service connected medical claims. For these claims, this Plan will make payment to the VA as though this Plan was making payment secondary to Medicare.

PROCEDURES FOR CLAIMING BENEFITS

Claims must be submitted to the Plan within twelve (12) months after the date services or treatments are received or completed. Non-electronic claims may be submitted on any approved claim form, available from the provider. The claim must be completed in full with all the requested information. A complete claim must include the following information:

- Date of service;
- Name of the Participant;
- Name and date of birth of the patient receiving the treatment or service and his/her relationship to the Participant;
- Diagnosis [code] of the condition being treated;
- Treatment or service [code] performed;
- Amount charged by the provider for the treatment or service; and
- Sufficient documentation, in the sole determination of the Plan Administrator, to support the Medical Necessity of the treatment or service being provided and sufficient to enable the Plan Supervisor to adjudicate the claim pursuant to the terms and conditions of the Plan.

When completed, the claim must be sent to the Plan Supervisor, Allegiance Benefit Plan Management, Inc., at P.O. Box 3018, Missoula, Montana 59806-3018, (406) 721-2222 or (800) 877-1122 or through any electronic claims submission system or clearinghouse to which Allegiance Benefit Plan Management, Inc. has access.

A claim will not, under any circumstances, be considered for payment of benefits if initially submitted to the Plan more than twelve (12) months from the date that services were incurred.

Upon termination of the Plan, final claims must be received within three (3) months of the date of termination, unless otherwise established by the Plan Administrator.

CLAIMS WILL NOT BE DEEMED SUBMITTED UNTIL RECEIVED BY THE PLAN SUPERVISOR.

The Plan will have the right, in its sole discretion and at its own expense, to require a claimant to undergo a medical examination, when and as often as may be reasonable, and to require the claimant to submit, or cause to be submitted, any and all medical and other relevant records it deems necessary to properly adjudicate the claim.

CLAIM DECISIONS ON CLAIMS AND ELIGIBILITY

Claims will be considered for payment according to the Plan's terms and conditions, industry-standard claims processing guidelines and administrative practices not inconsistent with the terms of the Plan. The Plan may, when appropriate or when required by law, consult with relevant health care professionals and access professional industry resources in making decisions about claims that involve specialized medical knowledge or judgment. Initial eligibility and claims decisions will be made within the time periods stated below. For purposes of this section, "Covered Person" will include the claimant and the claimant's Authorized Representative; "Covered Person" does not include a health care provider or other assignee, and said health care provider or assignee does not have an independent right to appeal an Adverse Benefit Determination simply by virtue of the assignment of benefits.

"Authorized Representative" means a representative authorized by the claimant to act on their behalf in pursuing a benefit claim or appeal of an Adverse Benefit Determination. The claimant must authorize the representative in writing, and this written authorization must be provided to the Plan. The Plan will recognize this Authorized Representative when the Plan receives the written authorization.

INFORMATION REGARDING URGENT CARE CLAIMS IS PROVIDED TO YOU UNDER THE DISCLOSURE REQUIREMENTS OF APPLICABLE LAW; THE PLAN DOES NOT MAKE TREATMENT DECISIONS. ANY DECISION TO RECEIVE TREATMENT MUST BE MADE BETWEEN THE PATIENT AND HIS OR HER HEALTHCARE PROVIDER; HOWEVER, THE PLAN WILL ONLY PAY BENEFITS ACCORDING TO THE TERMS, CONDITIONS, LIMITATIONS AND EXCLUSIONS OF THIS PLAN.

1. **Urgent Care Claims** - An Urgent Care Claim is any claim for medical care or treatment with respect to which:
 - A. In the judgment of a prudent layperson possessing an average knowledge of health and medicine could seriously jeopardize the life or health of the claimant or the ability of the claimant to regain maximum function; or
 - B. In the opinion of a Physician with knowledge of the claimant's medical condition, would subject the claimant to severe pain that cannot be adequately managed without the care or treatment that is the subject of the claim.

There are no Urgent Care requirements under this Plan and therefore, there are no rights to appeal a pre-service Urgent Care claim denial.

2. **Pre-Service Claims** - Pre-Service Claims must be submitted to the Plan before the Covered Person receives medical treatment or service. A Pre-Service Claim is any claim for a medical benefit which the Plan terms condition the Covered Person's receipt of the benefit, in whole or in part, on approval of the benefit before obtaining treatment. Pre-Service Claims are procedures stated in the Plan Document which, the Plan recommends be utilized before a Covered Person obtains medical care.
3. **Post-Service Claims** - A Post-Service Claim is any claim for a medical benefit under the Plan with respect to which the terms of the Plan do not condition the Covered Person's receipt of the benefit, or any part thereof, on approval of the benefit prior to obtaining medical care, and for which medical treatment has been obtained prior to submission of the claim(s).

In most cases, initial claims decisions on Post-Service Claims will be made within thirty (30) days of the Plan's receipt of the claim. The Plan will provide timely notice of the initial determination once sufficient information is received to make an initial determination, but no later than thirty (30) days after receiving the claim.

4. **Concurrent Care Review** - For patients who face early termination or reduction of benefits for a course of treatment previously certified by the Plan, a decision by the Plan to reduce or terminate benefits for ongoing care is considered an Adverse Benefit Determination. (Note: Exhaustion of the Plan's benefit maximums is not an Adverse Benefit Determination.) The Plan will notify the Covered Person sufficiently in advance to allow an appeal for uninterrupted continuing care before the benefit is reduced or terminated. Any request to extend an Urgent Care course of treatment beyond the initially prescribed period of time must be decided within twenty-four (24) hours of the Plan's receipt of the request. The appeal for ongoing care or treatment must be made to the Plan at least twenty-four (24) hours prior to the expiration of the initially-prescribed period.

APPEALING AN UN-REIMBURSED PRE-SERVICE CLAIM

If a claim is denied in whole or in part, the Covered Person will receive written notification of the Adverse Benefit Determination. A claim denial will be provided by the Plan showing:

1. The reason the claim was denied;
2. Reference(s) to the specific Plan provision(s) or rule(s) upon which the decision was based which resulted in the Adverse Benefit Determination;

3. Any additional information needed to perfect the claim and why such information is needed; and
4. An explanation of the Covered Person's right to appeal the Adverse Benefit Determination for a full and fair review and the right to bring a civil action following an Adverse Benefit Determination on appeal.

If a Covered Person does not understand the reason for any Adverse Benefit Determination, he or she should contact the Plan Supervisor at the address or telephone number shown on the claim denial.

The Covered Person must appeal the Adverse Benefit Determination before the Covered Person may exercise his or her right to bring a civil action. This Plan provides two (2) levels of benefit determination review and the Covered Person must exercise both levels of review before bringing a civil action.

To initiate the first level of benefit review, the Covered Person must submit in writing an appeal or a request for review of the Adverse Benefit Determination to the Plan within one hundred eighty (180) days after the Adverse Benefit Determination. The Covered Person should include any additional information supporting the appeal or the information required by the Plan which was not initially provided and forward it to the Plan Supervisor within the 180-day time period. Failure to appeal the Adverse Benefit Determination within the 180-day time period will render the determination final. Any appeal received after the 180-day time period has expired will receive no further consideration.

Appeals or requests for review of Adverse Benefit Determinations must be submitted to the Plan in writing to P.O. Box 1269, Missoula, MT 59806-1269. Supporting materials may be submitted via mail, electronic claims submission process, facsimile (fax) or electronic mail (e-mail).

1. First Level of Benefit Determination Review

The first level of benefit determination review is done by the Plan Supervisor. The Plan Supervisor will research the information initially received and determine if the initial determination was appropriate based on the terms and conditions of the Plan and other relevant information. Notice of the decision on the first level of review will be sent to the Covered Person within fifteen (15) days following the date the Plan Supervisor receives the request for reconsideration.

If, based on the Plan Supervisor's review, the initial Adverse Benefit Determination remains the same and the Covered Person does not agree with that benefit determination, the Covered Person must initiate the second level of benefit review. The Covered Person must request the second review in writing and send it to the Plan Supervisor, not later than sixty (60) days after receipt of the Plan Supervisor's decision from the first level of review. Failure to initiate the second level of benefit review within the 60-day time period will render the determination final.

2. Second Level of Benefit Determination Review

The Plan Administrator will review the claim in question along with the additional information submitted by the Covered Person. The Plan will conduct a full and fair review of the claim by the Plan Administrator who is neither the original decisionmaker nor the decisionmaker's subordinate. The Plan Administrator cannot give deference to the initial benefit determination. The Plan Administrator may, when appropriate or if required by law, consult with relevant health care professionals in making decisions about appeals that involve specialized medical judgment. Where the appeal involves issues of Medical Necessity or experimental treatment, the Plan Administrator will consult with a health care professional with appropriate training who was neither the medical professional consulted in the initial determination or his or her subordinate.

After a full and fair review of the Covered Person's appeal, the Plan will provide a written or electronic notice of the final benefit determination, which contains the same information as notices for the initial determination, within fifteen (15) days.

INDEPENDENT EXTERNAL REVIEW FOR A PRE-SERVICE CLAIM

After exhaustion of all appeal rights stated above, a Covered Person may also request a final independent external review of any Adverse Benefit Determination involving a question of Medical Necessity, or other issue requiring medical expertise for resolution.

To assert this right to independent external medical review, the Covered Person must request such review in writing within one hundred twenty (120) days after a decision is made upon the second level benefit determination above.

If an independent external review is requested, the Plan Supervisor will forward the entire record on appeal, within ten (10) days, to an independent external review organization (IRO) selected randomly. The IRO will notify the Covered Person of its procedures to submit further information.

The IRO will issue a final decision within forty-five (45) days after receipt of all necessary information.

The decision of the IRO will be final and binding except that the Covered Person shall have an additional right to appeal the matter to a court with jurisdiction.

APPEALING AN UN-REIMBURSED POST-SERVICE CLAIM

If a claim is denied in whole or in part, the Covered Person will receive written notification of the Adverse Benefit Determination. A claim Explanation of Benefits (EOB) will be provided by the Plan showing:

1. The reason the claim was denied;
2. Reference(s) to the specific Plan provision(s) or rule(s) upon which the decision was based which resulted in the Adverse Benefit Determination;
3. Any additional information needed to perfect the claim and why such information is needed; and
4. An explanation of the Covered Person's right to appeal the Adverse Benefit Determination for a full and fair review and the right to bring a civil action following an Adverse Benefit Determination on appeal.

If a Covered Person does not understand the reason for any Adverse Benefit Determination, he or she should contact the Plan Supervisor at the address or telephone number shown on the EOB form.

The Covered Person must appeal the Adverse Benefit Determination before the Covered Person may exercise his or her right to bring a civil action. This Plan provides two (2) levels of benefit determination review and the Covered Person must exercise both levels of review before bringing a civil action.

To initiate the first level of benefit review, the Covered Person must submit in writing an appeal or a request for review of the Adverse Benefit Determination to the Plan within one hundred eighty (180) days after the Adverse Benefit Determination. The Covered Person should include any additional information supporting the appeal or the information required by the Plan which was not initially provided and forward it to the Plan Supervisor within the 180-day time period. Failure to appeal the Adverse Benefit Determination within the 180-day time period will render the determination final. Any appeal received after the 180-day time period has expired will receive no further consideration.

Appeals or requests for review of Adverse Benefit Determinations must be submitted to the Plan in writing to P.O. Box 1269, Missoula, MT 59806-1269. Supporting materials may be submitted via mail, electronic claims submission process, facsimile (fax) or electronic mail (e-mail).

1. First Level of Benefit Determination Review

The first level of benefit determination review is done by the Plan Supervisor. The Plan Supervisor will research the information initially received and determine if the initial determination was appropriate based on the terms and conditions of the Plan and other relevant information. Notice of the decision on the first level of review will be sent to the Covered Person within thirty (30) days following the date the Plan Supervisor receives the request for reconsideration.

If, based on the Plan Supervisor's review, the initial Adverse Benefit Determination remains the same and the Covered Person does not agree with that benefit determination, the Covered Person must initiate the second level of benefit review. The Covered Person must request the second review in writing and send it to the Plan Supervisor, not later than sixty (60) days after receipt of the Plan Supervisor's decision from the first level of review. Failure to initiate the second level of benefit review within the 60-day time period will render the determination final.

2. Second Level of Benefit Determination Review

The Plan Administrator will review the claim in question along with the additional information submitted by the Covered Person. The Plan will conduct a full and fair review of the claim by the Plan Administrator who is neither the original decisionmaker nor the decisionmaker's subordinate. The Plan Administrator cannot give deference to the initial benefit determination. The Plan Administrator may, when appropriate or if required by law, consult with relevant health care professionals in making decisions about appeals that involve specialized medical judgment. Where the appeal involves issues of Medical Necessity or experimental treatment, the Plan Administrator will consult with a health care professional with appropriate training who was neither the medical professional consulted in the initial determination or his or her subordinate.

After a full and fair review of the Covered Person's appeal, the Plan will provide a written or electronic notice of the final benefit determination within a reasonable time, but no later than thirty (30) days from the date the appeal is received by the Plan at each level of review.

All claim payments are based upon the terms contained in the Plan Document, on file with the Plan Administrator and the Plan Supervisor. The Covered Person may request, free of charge, more detailed information, names of any medical professionals consulted and copies of relevant documents, as defined in and required by law, which were used by the Plan to adjudicate the claim.

INDEPENDENT EXTERNAL REVIEW FOR A POST-SERVICE CLAIM

After exhaustion of all appeal rights stated above, a Covered Person may also request a final independent external review of any Adverse Benefit Determination involving a question of Medical Necessity, or other issue requiring medical expertise for resolution.

To assert this right to independent external medical review, the Covered Person must request such review in writing within one hundred twenty (120) days after a decision is made upon the second level benefit determination above.

If an independent external review is requested, the Plan Supervisor will forward the entire record on appeal, within ten (10) days, to an independent external review organization (IRO) selected randomly. The IRO will notify the Covered Person of its procedures to submit further information.

The IRO will issue a final decision within forty-five (45) days after receipt of all necessary information.

The decision of the IRO will be final and binding except that the Covered Person shall have an additional right to appeal the matter to a court with jurisdiction.

PAYMENT OF CLAIMS

All Plan benefits are payable to a Participant, Qualified Beneficiary or Alternate Recipient, whichever is applicable. All or a portion of any benefits payable by the Plan may, at the Covered Person's option and unless the Covered Person requests otherwise in writing not later than the time of filing the claim, be paid directly to the health care provider rendering the service, if proper written assignment is provided to the Plan and the health care provider is a Participating Provider. No payments will be made to any provider of services unless the Covered Person is liable for such expenses and such expenses are eligible for payment by the Plan.

The Plan will not recognize assignments of payment of benefits from non-Participating Providers. The Plan, at the discretion of the Plan Administrator, will pay the Procedure Based Maximum Expense (PBME) amount to the Covered Person or to the Covered Person and the provider jointly who incurred the claim (or the Participant, Qualified Beneficiary or Alternate Recipient if the Covered Person is a minor), and will notify the provider that the Plan does not recognize or accept assignments for payment of claims from non-Participating Providers.

If any benefits remain unpaid at the time of the Covered Person's death or if the Covered Person is a minor, or is, in the opinion of the Plan, legally incapable of giving a valid receipt and discharge for any payment, the Plan may, at its option, pay such benefits to the Covered Person's legal representative or estate. The Plan, in its sole option, may require that an estate, guardianship or conservatorship be established by a court of competent jurisdiction prior to payment of any benefit. Any payment made under this subsection will constitute a complete discharge of the Plan's obligation to the extent of such payment and the Plan will not be required to oversee the application of the money so paid.

ELIGIBILITY PROVISIONS

EMPLOYEE ELIGIBILITY

1. Employees of a department or agency of the judicial, legislative and executive branches of the State;
2. Elected Officials;
3. Officers of the legislative branch;
4. Judges;

"Stability Period" is the maximum period or time Employees may be offered benefits under the Plan as active Employees after completion of a Measurement Period.

An Employee is eligible while on active military duty.

DEPENDENT ELIGIBILITY

An eligible Dependent includes any person who is a citizen, resident alien, or is otherwise legally present in the United States or in any other jurisdiction that the related Participant or Retiree has been assigned by the Employer, and who is either:

1. The Participant's or Retiree's legal spouse, according to the marriage laws of the state where the marriage was first solemnized or established. Proof of eligibility (marriage certification, most recent joint tax return, or recorded and notarized Affidavit of Common Law Marriage available at: www.benefits.mt.gov) must be submitted at the time of enrollment.

An eligible Dependent does not include a spouse who is legally separated or divorced from the Participant or a Retiree and has a court order or decree stating such from a court of competent jurisdiction.

2. The Participant's or Retiree's domestic partner, provided a Declaration of Domestic Partnership form is submitted and all of the following "Required Eligibility Conditions" are met:
 - A. The Participant or Retiree and domestic partner are both eighteen (18) years of age or older; and
 - B. The Participant or Retiree and domestic partner share a common residence; and
 - C. Neither the Participant or Retiree nor the domestic partner is married to any other person; and
 - D. The Participant or Retiree and domestic partner are not legally related to each other as a parent, brother or sister, half-brother or half-sister, niece, nephew, aunt, uncle, grandparent or grandchild; and

- E. The Participant or Retiree and domestic partner have a financially-interdependent relationship as evidenced by at least one (1) of the following:
- 1) Mutually granted powers of attorney or mutually granted health care powers of attorney;
 - 2) Designation of each other as primary beneficiary in wills, life insurance policies, or retirement plans; and
- F. Proof of a shared residence **and** a copy of the mutually granted powers of attorney or health powers of attorney, or a copy of the designation of primary beneficiary in wills, life insurance policies, or retirement plans, must be submitted with the Declaration of Domestic Partner Relationship form available at: www.benefits.mt.gov.
3. The Participant's or Retiree's Dependent child who meets all of the following "Required Eligibility Conditions":
- A. Is a natural child; step-child; legally adopted child; a child who has been Placed For Adoption (must provide pre-adoption placement agreement) with the Participant or Retiree or spouse/domestic partner and for whom as part of such placement the Participant or Retiree or spouse/domestic partner has a legal obligation for the partial or full support of such child, including providing coverage under the Plan pursuant to a written agreement; a person for whom the Participant or Retiree or spouse/domestic partner has been appointed the legal guardian by a court of competent jurisdiction prior to the person attaining eighteen (18) years of age; and
- B. Is less than twenty-six (26) years of age. This requirement is waived if the Participant's or Retiree's child was mentally handicapped/challenged or physically handicapped/challenged provided that the child is incapable of self-supporting employment and is chiefly dependent upon the Participant for support and maintenance. Proof of incapacity must be furnished to the Plan Administrator that:
- 1) The incapacity commenced before the date the child's Plan coverage would otherwise terminate; and
 - 2) The child is dependent upon the eligible Participant or Retiree for support and maintenance within the current meaning of the COBRA disability continuation criteria. In other words, the Social Security Administration must have determined that the child is disabled and qualifies for disability benefits through either Old Age, Survivors and Disability Insurance (OASDI), or Supplemental Security Insurance (SSI); and
 - 3) Notification and proof of such incapacity must be submitted to the Plan Administrator within thirty-one (31) days of the date the child's coverage would otherwise terminate; and
 - 4) Participant or Retiree must submit the most recent tax return which indicates the disabled child is a qualified tax dependent; and
 - 5) Re-certification of the disability may be required annually.

An eligible Dependent does not include a spouse of the Dependent child or a child of the Dependent child.

If both spouses are employed by the State, and both are eligible for Dependent Coverage, either spouse, but not both, may elect Dependent Coverage for their eligible Dependents. No one can be covered under this Plan as both an Employee and a Dependent. No one can be covered under this Plan as a Dependent by more than one Participant.

PARTICIPANT ELIGIBILITY FOR DEPENDENT COVERAGE

Each Employee will become eligible for Dependent Coverage on the latest of:

1. The date the Employee becomes eligible for Participant coverage; or
2. The date on which the Employee first acquires a Dependent.

DECLINING COVERAGE

If an eligible person declines coverage under this Plan, the foregone State Employer contribution goes to the benefit plan to be used for the group benefit cost (§ 2-18-703, MCA).

RETIREE ELIGIBILITY

A Retiree is considered eligible for coverage under this Plan only if the Retiree was covered under this Plan as a Participant on his or her last day of Active Service for the Employer prior to retirement, and subject to the terms of § 2-18-704, MCA. A Retiree's Dependents and surviving Dependents upon the death of the Retiree are also eligible if the Retiree was eligible for coverage and covered under this Plan, subject to the terms of § 2-18-704, MCA.

The Retiree must notify the State within sixty (60) days of the date Active Service ends to continue post-retirement coverage. The Retiree may continue with the State Plan on a self pay basis, retroactive to the date Active Service was lost.

A Retiree may transfer coverage and become a Dependent of an actively employed or retired spouse/domestic partner on the Plan while still retaining the right to return to coverage under their own name in the case of an event resulting in loss of eligibility for spouse coverage (divorce, death of the spouse/domestic partner, etc.).

Employees enrolled in the pre-tax plan may pre-pay eligible Retiree payment for benefits for up to the remainder of the Benefit Period from their final check on a pre-tax basis, provided a pre-payment request is received by the last day of Active Service. All information must be submitted by the end of the final pay period. Payment options for those who choose not to pre-pay, or when pre-payment ends include:

1. Automatic deduction from State retirement benefits (preferred); or
2. Electronic benefits payment deduction from a checking or savings account; or
3. Monthly self-payment.

RETREAT RIGHT

Beginning September 2014 and going forward until further notice, Retirees who leave the Plan due to enrollment in another health plan offering "minimum essential coverage" as defined by federal law will have a one-time opportunity to return to the Plan. This is called a Retreat Right.

- A. A Retiree wishing to re-enroll in the Plan must notify HCBD within two (2) years of the Plan termination date.
- B. Re-enrollment is not allowed if there is any lapse in coverage.
- C. Re-enrollment is not allowed if the loss of Plan coverage was due to monthly Retiree contribution payment not being received by the State.
- D. Re-enrollment requests must include proof of other coverage along with a Retiree re-enrollment form found on www.benefits.mt.gov.

If the Retiree voluntarily leaves other coverage within the two (2) year time period:

- A. The Retiree may only re-enroll during the Open Enrollment period following request for re-enrollment.
- B. Coverage will be effective January 1 of the following Plan Year.
- C. The Retiree must ensure there is not a lapse in coverage when cancelling other coverage; and
- D. Only Dependents that were covered at the time the Retiree terminated the Plan will be eligible to re-enroll, unless otherwise allowed by HCBD's written policy.

If the Retiree experiences an involuntary loss of other coverage within the two (2) year time period:

- A. The Retiree must notify HCBD within sixty (60) days of losing other coverage to avoid a lapse in coverage;
- B. Coverage will begin retroactive to the date other coverage ends following receipt of re-enrollment forms and payment; and
- C. Only Dependents that were covered at the time the Retiree terminated the Plan will be eligible to re-enroll, unless those Dependents also experienced an involuntary loss of coverage.

A Retiree's coverage and cost options for the Plan after exercising their Retreat Right will be subject to the available plans and eligibility rules of the year in which the Retiree is eligible to re-enroll.

Retiree coverage is not available if the Retiree terminates from the Plan due to non-payment of premiums.

ELECTED OFFICIAL ELIGIBILITY

An eligible Elected Official includes a person whose service with State of Montana is as a result of election to an official governmental office as required by Montana law, or as a result of appointment to such an official governmental office to serve out the remainder of an unexpired term of an elected official who has resigned or been removed from an official governmental office, as allowed by Montana law. A person will be considered an Elected Official only during the legal term of office for any such official governmental office.

ELECTED OFFICIAL CONTINUATION COVERAGE

An Elected Official who does not qualify for continuation coverage under the Plan as a Retiree may continue coverage under the Plan until the Elected Official is Medicare eligible as provided by § 2-18-704, MCA. To be eligible for this continuation coverage, an Elected Official must:

1. Terminate Elected Official service;
2. Be a vested member of a state retirement system provided by law; and
3. Notify HCBD in writing within ninety (90) days of the end of service and retroactive benefit payments must be received at this time; and
4. Subsequent monthly benefit payments must be received by HCBD by the first (1st) of each month.

An Elected Official becomes ineligible under this continuation coverage if the Elected Official:

1. Is a member of another plan with similar or greater benefits at an equivalent cost;
2. Is employed and eligible for coverage under another group health plan with equivalent medical benefits and costs;

3. Is eligible for Medicare benefits at retirement.

A former Elected Official who continues coverage under this Plan and subsequently terminates coverage may not rejoin the Plan unless he/she again serves as an Elected Official or becomes an eligible Employee under this Plan.

An Elected Official who is involuntarily terminated because of term limits may continue coverage under this Plan for six (6) months from the last day of the Elected Official's final term office as provided by § 2-18-820, MCA. During this time, the Elected Official will receive State share toward payment for benefits. The Elected Official is required to self-pay the contribution amount. The Elected Official may continue this coverage until he/she becomes Medicare eligible or is employed and eligible for coverage under another group health plan with equivalent medical benefits and costs.

LEGISLATOR OR JUDGE CONTINUATION COVERAGE

A legislator or judge leaving office who does not qualify for continuation coverage under the Plan as a Retiree may continue coverage under this Plan until the legislator or judge is Medicare eligible as provided by § 2-18-704, MCA. To be eligible for this continuation coverage, the legislator or judge must:

1. Terminate legislative/judicial service;
2. Be a vested member of a state retirement system provided by law; and
3. Notify HCBP in writing within ninety (90) days of the end of service and retroactive benefit payments must be received at this time; and
4. Subsequent monthly benefit payments must be received by HCBP by the first (1st) of each month.

A former legislator or judge becomes ineligible under this continuation coverage if the legislator or judge:

1. Is a member of another plan with similar or greater benefits at an equivalent cost;
2. Is employed, and by virtue of that employment, is eligible for coverage under another group health plan with equivalent medical benefits and costs;
3. Is eligible for Medicare benefits at retirement.

A former legislator or judge who continues coverage under this Plan and subsequently terminates coverage may not rejoin the Plan unless he/she again serves as a legislator or judge or becomes an eligible Employee under this Plan.

A legislator who is involuntarily terminated because of term limits may continue coverage under this Plan for six (6) months from the last day of the legislator's final term of office as provided by § 2-18-820, MCA. During this time, the legislator will receive State share toward payment for benefits. The legislator is required to self-pay the contribution amount. The legislator may continue coverage under this Plan until he/she becomes Medicare eligible or is employed and eligible for coverage under another group health plan with equivalent medical benefits and costs. When this benefit is exhausted, legislators who meet the terms may be eligible to continue coverage under COBRA Continuation Coverage.

DEPENDENT TAX STATUS

For a domestic partner, the Employee must declare the tax status as required by the Internal Revenue Service to apply the proper tax treatment (pre-tax or after-tax) to benefits. The qualification of these individuals as your domestic partner for tax purposes doesn't affect their eligibility but does impact the tax treatment of that coverage.

Federal law requires that group health plans report certain information about individuals covered under its group health plan for the purpose of coordinating benefits with Medicare under the Medicare Secondary Payer Rules.

The information required to be reported includes the Participant's, and domestic partner's, Social Security Numbers (SSNs) and Employers' Tax Identification Numbers (TINs).

If the tax status is not indicated, the Dependent will default to non-qualified tax dependent.

The Declaration of Tax Status form is available at: www.benefits.mt.gov.

EFFECTIVE DATE OF COVERAGE

All coverage under the Plan will commence at 12:01 A.M. in the time zone in which the Covered Person permanently resides, on the date such coverage becomes effective.

PARTICIPANT COVERAGE

Participant coverage under the Plan will become effective retroactive to the Enrollment Date and the first day of eligibility for newly-eligible Employees, provided application for enrollment is received within the thirty-one (31) day initial enrollment period, and the enrollment authorizes a payroll deduction of any retroactive benefits payments dues. (Retroactive payments must be taken after taxes, regardless of whether you will be on the pre-tax plan, to comply with Internal Revenue Service requirements.) If these requirements are met, the Employee must be offered coverage or an opportunity to waive coverage even if the offer is after the date coverage should become effective, regardless of the time that has elapsed, provided that the reason coverage was not offered was as a result of an administrative error on the part of the Employer, Plan Administrator or Plan Supervisor.

Elected Officials become eligible to enroll on the first day they take the oath of office or the day the term begins, whichever comes first.

A Variable Employee will remain covered for a period of time not to exceed twelve (12) months from the effective date of coverage (the Stability Period) regardless of the number of hours worked and applicable leave, as long as the individual remains employed by the State. At the end of the Stability Period, if the individual remains employed as a Variable Employee and averages at least twenty (20) hours per week during the standard Measurement Period, the individual will remain covered for a period of time not to exceed an additional twelve (12) months.

DEPENDENT COVERAGE

Each Participant who requests Dependent Coverage on the Plan's enrollment form will become covered for Dependent Coverage as follows:

1. On the Participant's effective date of coverage, if application for Dependent Coverage is made on the same enrollment form used by the Participant to enroll for coverage. This subsection applies only to Dependents who are eligible on the Participant's effective date of coverage.
2. In the event a Dependent is acquired after the Participant's effective date of coverage as a result of a legal guardianship or in the event that a Participant is required to provide coverage as a result of a valid court order, or if the Dependent is acquired as a result of operation of law, Dependent Coverage will begin on the first day of the pay period following the Plan's receipt of an enrollment form and copy of said court order, if applicable.
3. In the event a Dependent is acquired as a result of establishment of a domestic partnership, Dependent coverage will begin on the first day of the pay period following the Plan's receipt of an enrollment form and signed Declaration of Domestic Partner Relationship.
4. Automatic coverage of an infant born to a Plan Participant begins at birth for a thirty-one (31) day period. Benefit payments are not collected for the child during this automatic thirty-one day period. To continue coverage beyond the first thirty-one day period, a Mid-Year Change form and birth certificate must be submitted within ninety-one (91) days and any required Employee contributions must be made.

OPEN ENROLLMENT PERIOD

The Open Enrollment Period is usually in the fall, typically in September and October, of each year, during which an Employee and the Employee's eligible Dependents, who are not covered under this Plan, may request Participant coverage changes or Dependent coverage. Coverage must be requested on the Plan's enrollment form or system.

Coverage requested during any Open Enrollment Period will begin on January 1 immediately following the Open Enrollment Period.

SPECIAL ENROLLMENT PERIOD

In addition to other enrollment times allowed by this Plan, certain persons may enroll during the Special Enrollment Periods described below.

"Special Enrollment Period" means a period of time allowed under this Plan, other than the eligible person's Initial Enrollment Period or an Open Enrollment Period, during which an eligible person can request coverage under this Plan as a result of certain events that create special enrollment rights.

Coverage will become effective on the date of the event if the Employee makes a special enrollment request, verbally or in writing, within thirty (31) days of any special enrollment event and application for such coverage is made on the Plan's enrollment form within sixty (60) days of the event.

 - B. Birth of the Employee's child; or
 - C. Adoption of a child by the Employee, provided the child is under the age of 18; or

Placement for Adoption with the Employee (must provide pre-adoption placement agreement), provided such Employee has a legal obligation for the partial or full support of such child, including providing coverage under the Plan pursuant to a written agreement and the child is under the age of 18.

2. A Participant may enroll eligible Dependents, including step children, who are acquired under the following specific events:

 - C. Adoption of a child by the Participant or Retiree, provided the child is under the age of 18; or
 - D. Placement for Adoption with the Employee (must provide pre-adoption placement agreement), provided such Employee has a legal obligation for the partial or full support of such child, including providing coverage under the Plan pursuant to a written agreement and the child is under the age of 18.

5. The following individuals may enroll and become covered when coverage under another health care plan or health insurance is terminated due to loss of eligibility or if employer contributions to the other coverage have been terminated (Loss of Coverage), subject to the following:
- A. If the eligible Employee loses coverage, the eligible Employee who lost coverage and any eligible Dependents of the eligible Employee may enroll and become covered.
 - B. If an eligible Dependent loses coverage, the eligible Dependent who lost coverage and the eligible Employee may enroll and become covered.
 - C. If an eligible Dependent of a Retiree loses coverage, the eligible Dependent who lost coverage may enroll and become covered.
- Further, Loss of Coverage means only one of the following:

 - 1) Legal separation or divorce of the eligible Employee; or
 - 2) Cessation of Dependent status; or
 - 3) Death of the eligible Employee; or
 - 4) Termination of employment of the eligible Dependent; or
 - 5) Reduction in the number of hours of employment of the eligible Dependent; or
 - 6) Termination of the eligible Dependent's employer's plan; or

*Employer contributions include contributions by any current or former employer that was contributing to the other non-COBRA coverage.

A loss of eligibility for coverage does not occur if coverage was terminated due to a failure of the Employee or Dependent to pay premiums on a timely basis or coverage was terminated for cause.

6. Individuals may enroll and become covered when coverage under Medicaid or any state children's insurance program recognized under the Children's Health Insurance Program Reauthorization Act of 2009 is terminated due to loss of eligibility, subject to the following:

A request for enrollment, either verbal or in writing, must be made within sixty (60) days after this special enrollment event, and written application for such coverage must be made in writing within ninety (90) days after such event.

CHANGE IN STATUS

If a Covered Dependent under this Plan becomes an eligible Employee of the State, he/she may continue his/her coverage as a Dependent or elect to be covered as a Participant.

If an eligible Employee who is covered as a Participant of this Plan ceases to be an Employee of the State, but is eligible to be covered as a Dependent under another Employee/Participant, he/she may elect to continue his/her coverage as a Dependent of such Employee/Participant.

Application for coverage due to a Change in Status must be made on the Plan's enrollment form, within sixty (60) days immediately following the date the Employee becomes or ceases to be an eligible Employee. A Change in Status will not be deemed to be a break or termination of coverage and will not operate to reduce or increase any coverage or accumulations toward satisfaction of the deductible and Out-of-Pocket Maximum to which the Covered Person was entitled prior to the Change in Status.

QUALIFIED MEDICAL CHILD SUPPORT ORDER PROVISION

PURPOSE

Pursuant to Section 609(a) of ERISA, the Plan Administrator adopts the following procedures to determine whether Medical Child Support Orders are qualified in accordance with ERISA's requirements, to administer payments and other provisions under Qualified Medical Child Support Orders (QMCSOs), and to enforce these procedures as legally required. Employer adopts ERISA standards to comply with child support enforcement obligation of Part D of Title IV of the Social Security Act of 1975 as amended.

DEFINITIONS

For QMCSO requirements, the following definitions apply:

1. "Alternate Recipient" means any child of a Participant who is recognized under a Medical Child Support Order as having a right to enroll in this Plan with respect to the Participant.
2. "Medical Child Support Order" means any state or court judgment, decree or order (including approval of settlement agreement) issued by a court of competent jurisdiction, or issued through an administrative process established under State law and which has the same force and effect of law under applicable State law and:
 - A. Provides for child support for a child of a Participant under this Plan;
 - B. Provides for health coverage for such a child under state domestic relations laws (including community property laws) and relates to benefits under this Plan; and
 - C. Is made pursuant to a law relating to medical child support described in Section 1908 of the Social Security Act.
3. "Plan" means this self-funded Employee Health Benefit Plan, including all supplements and amendments in effect.
4. "Qualified Medical Child Support Order" means a Medical Child Support Order which creates (including assignment of rights) or recognizes an Alternate Recipient's right to receive benefits to which a Participant or Qualified Beneficiary is eligible under this Plan, and has been determined by the Plan Administrator to meet the qualification requirements as outlined under "Procedures" of this provision.

CRITERIA FOR A QUALIFIED MEDICAL CHILD SUPPORT ORDER

To be qualified, a Medical Child Support Order must clearly:

1. Specify the name and the last known mailing address (if any) of the Participant and the name and mailing address of each Alternate Recipient covered by the order, except that, to the extent provided in the order, the name and mailing address of an official of a State or a political subdivision thereof may be substituted for the mailing address of any such Alternate Recipient; and
2. Include a reasonable description of the type of coverage to be provided by the Plan to each Alternate Recipient, or the manner in which such type of coverage is to be determined; and
3. Specify each period to which such order applies.

In order to be qualified, a Medical Child Support Order must not require the Plan to provide any type or form of benefits, or any option, not otherwise provided under the Plan except to the extent necessary to meet the requirements of Section 1908 of the Social Security Act (relating to enforcement of state laws regarding child support and reimbursement of Medicaid).

PROCEDURES FOR NOTIFICATIONS AND DETERMINATIONS

In the case of any Medical Child Support Order received by this Plan:

1. The Plan Administrator will promptly notify the Participant and each Alternate Recipient of the receipt of such order and the plan's procedures for determining whether Medical Child Support Orders are qualified orders; and
2. Within a reasonable period after receipt of such order, the Plan Administrator will determine whether such order is a Qualified Medical Child Support Order and notify the Participant and each Alternate Recipient of such determination.

NATIONAL MEDICAL SUPPORT NOTICE

If the plan administrator of a group health plan which is maintained by the employer of a non-custodial parent of a child, or to which such an employer contributes, receives an appropriately completed National Medical Support Notice as described in Section 401(b) of the Child Support Performance and Incentive Act of 1998 in the case of such child, and the Notice meets the criteria shown above for a qualified order, the Notice will be deemed to be a Qualified Medical Child Support Order in the case of such child.

FAMILY AND MEDICAL LEAVE ACT OF 1993

The Family and Medical Leave Act (FMLA) requires Employers who are subject to FMLA to allow their “eligible” Employees to take unpaid, job-protected leave. The Employer may also require or allow the Employee to substitute appropriate paid leave including, but not limited to, vacation and sick leave, if the Employee has earned or accrued it. The maximum leave required by FMLA is twelve (12) workweeks in any twelve (12) month period for certain family and medical reasons and a maximum combined total of twenty-six (26) workweeks during any twelve (12) month period for certain family and medical reasons and for a serious Injury or Illness of a member of the Armed Forces to allow the Employee, who is the spouse, son, daughter, parent, or next of kin to the member of the Armed Forces, to care for that member of the Armed Forces. In certain cases, this leave may be taken on an intermittent basis rather than all at once, or the Employee may work a part-time schedule.

DEFINITIONS

5. “Serious Injury or Illness” means an Injury or Illness incurred in the line of duty that may render the member of the Armed Forces medically unfit to perform his or her military duties.
6. “Son or daughter” means Employee’s biological child, adopted child, stepchild, legal foster child, a child placed in Employee’s legal custody, or a child for which Employee is acting as the parent in place of the child’s natural blood related parent. The child must be:

 - B. Over the age of eighteen (18), but incapable of self-care because of a mental or physical disability.
7. “Spouse” means a husband or wife as defined or recognized under state law for purposes of marriage in the state where the employee resides, including “common law” marriage and same-sex marriage.

EMPLOYERS SUBJECT TO FMLA

The FMLA applies to government entities, including branches of the United States government, state governments and political subdivisions thereof.

ELIGIBLE EMPLOYEES

Generally, an Employee is eligible for FMLA leave only if the Employee satisfies all of the following requirements as of the date on which any requested FMLA leave is to commence: (1) has been employed by the Employer for a total of at least twelve months (whether consecutive or not); (2) the Employee has worked (as defined under the Fair Labor Standards Act) at least 1,250 hours during the twelve-(12) month period immediately preceding the date the requested leave is to commence; (3) the Employee is employed in any state of the United States, the District of Columbia or any Territories or possession of the United States; and (4) at the time the leave is requested, the Employee is employed at a work site where 50 or more Employees are employed by the Employer within 75 surface miles of the work site.

REASONS FOR TAKING LEAVE

FMLA leave must be granted (1) to care for the Employee's newborn child; (2) to care for a child placed with the Employee for adoption or foster care; (3) to care for the Employee's spouse, son, daughter, or parent, who has a serious health condition; (4) because the Employee's own serious health condition prevents the Employee from performing his or her job; or (5) because of a qualifying exigency, as determined by the Secretary of Labor, arising out of the fact that a spouse, son, daughter or parent of the Employee is on active duty or has been called to active duty in the Armed Forces in support of a contingency operation (e.g., a war or national emergency declared by the President or Congress).

ADVANCE NOTICE AND MEDICAL CERTIFICATION

Ordinarily, an Employee must provide thirty (30) days advance notice when the requested leave is "foreseeable." If the leave is not foreseeable, the Employee must notify the Employer as soon as is practicable, generally within one to two working days. An employer may require medical certification to substantiate a request for leave requested due to a serious health condition. If the leave is due to the Employee's serious health condition, the Employer may require second or third opinions, at the Employer's expense, and a certification of fitness to return to work prior to allowing the Employee to return to work.

PROTECTION OF JOB BENEFITS

For the duration of FMLA leave, the Employer must maintain the Employee's health coverage under any "group health plan" on the same conditions as coverage would have been provided if the Employee had been in Active Service during FMLA leave period. Taking FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an Employee's leave, unless the loss would have occurred even if the Employee had been in Active Service.

UNLAWFUL ACTS BY EMPLOYERS

Employers cannot interfere with, restrain or deny the exercise of any right provided under the FMLA or to manipulate circumstances to avoid responsibilities under the FMLA. Employers may not discharge, or discriminate against any person who opposes any practice made unlawful by the FMLA or who may be involved in a proceeding under or relating to the FMLA.

ENFORCEMENT

The U.S. Department of Labor is authorized to investigate and resolve complaints of FMLA violations. An eligible Employee may also bring a civil action against an employer for FMLA violations. The FMLA does not supersede any federal or state law prohibiting discrimination, and does not supersede any state or local law or collective bargaining agreement which provides greater family or medical leave rights. For additional information, contact the nearest office of Wage and Hour Division, listed in most telephone directories under U.S. Government, Department of Labor.

TERMINATION OF COVERAGE

PARTICIPANT TERMINATION

Participant coverage will automatically terminate immediately upon the earliest of the following dates, except as provided in any Continuation of Coverage Provision:

1. On the last day of the month in which the Participant's employment terminates; or
2. On the last day of the month in which the Participant ceases to be eligible for coverage; or
3. The first day of the pay period for which the Participant fails to make any required contribution for coverage; or
4. On the last day of the month the Plan is terminated; or
5. The date the State terminates the Participant's coverage; or
6. The pay period following the date the Participant dies; or
7. For Variable Employees on the last day of the Stability Period, unless at the expiration of the Stability Period, the Participant is otherwise eligible as the result of a subsequent Measurement Period or as a result of being reclassified as a Full-Time or Part-Time Employee.

A Participant whose Active Service ceases because of Illness or Injury or as a result of any other approved leave of absence may remain covered as an Employee in Active Service for a period of twelve (12) weeks, or such other length of time that is consistent with and stated in the State's current Employee Personnel Policy Manual or pursuant to the Family and Medical Leave Act. Coverage under this provision will be subject to all the provisions of FMLA if the leave is classified as FMLA leave.

Under the State Employee Protection Act (§§ 2-18-1201 through 2-18-1206, MCA), a Participant whose Active Service ceases due to temporary layoff will be considered employed by the State for the purposes of his/her coverage under this Plan, and such coverage may continue for six (6) months from the effective date of the layoff, or until the Participant becomes employed in a job that provides comparable benefits and must only self-pay the employee benefit payments.

If a Participant's coverage is to be continued during disability, approved leave of absence or temporary layoff, the amount of his or her coverage will be the same as the Plan benefits in force for an active Employee, subject to the Plan's right to amend coverage and benefits.

A Participant who has been continuously covered under the Plan since August 1, 1998 (when advance contribution or payment of benefits collection ended) whose Active Service ceases is entitled to an additional month of State share and Participant and Dependent coverage provided any required Employee contributions are paid. This is referred to as the "grandfather" month.

RETIREE TERMINATION

Retiree coverage will automatically terminate immediately upon the earliest of the following dates, except as provided in any Continuation of Coverage Provision:

1. On the last day of the month in which the Retiree ceases to be eligible for coverage; or
2. On the last day of the month in which final benefits payments are made; or

3. The date the Plan is terminated; or
4. The date the State terminates the Retiree's coverage; or
5. The day following the date the Retiree dies.

REINSTATEMENT OF COVERAGE

An Employee whose coverage terminates by reason of termination of employment and who again becomes eligible for coverage under the Plan within a thirteen (13) week period immediately following the date of such termination of employment will become eligible for reinstatement of coverage on the date of renewed eligibility. Coverage will be reinstated for the Employee and eligible Dependents on the first of the month following the date of renewed eligibility, provided that application for such coverage is made on the Plan's enrollment form within thirty (30) days after the date of renewed eligibility. Reinstatement of Coverage is subject to the following:

1. Credit will be given for prior amounts applied toward the Deductible and Out-of-Pocket Maximum for the same Benefit Period during which renewed eligibility occurs.
2. All prior accumulations toward annual or lifetime benefit maximums will apply.

If renewed eligibility occurs under any circumstances other than as stated in this sub-section, enrollment for coverage for the Employee and his/her Dependents will be treated as if initially hired for purposes of eligibility and coverage under this Plan.

Employees terminated and rehired within thirty-one (31) days will automatically be reinstated in the same benefit options elected prior to termination. Employees terminated and rehired within ninety (90) days will need to complete the new hire enrollment process.

The Reinstatement of Coverage provision is not applicable to a Variable Employee except for any period of time that the Variable Employee is actually enrolled and covered during the Stability Period.

DEPENDENT TERMINATION

Each Covered Person, whether Participant or Dependent, is responsible for notifying the Plan Administrator, within sixty (60) days after loss of Dependent status due to death, divorce, legal separation or ceasing to be an eligible Dependent child. Failure to provide this notice may result in loss of eligibility for COBRA Continuation Coverage After Termination.

Coverage for a Dependent will automatically terminate immediately upon the earliest of the following dates, except as provided in any Continuation of Coverage Provision:

1. On the last day of the month in which the Dependent ceases to be an eligible Dependent as defined in the Plan; or
2. On the last day of the month in which the Participant's coverage terminates under the Plan; or
3. On the last day of the month in which the Participant ceases to be eligible for Dependent Coverage; or
4. The first day of the pay period for which the Participant fails to make any required contribution for Dependent Coverage; or
5. The date the Plan is terminated; or

6. The date the State terminates the Dependent's coverage; or
7. The pay period following the date the Participant dies, or the date following the date the Retiree or other self-pay Participant dies; or
8. The date following the date the Dependent dies; or
9. On the last day of the month in which the Plan receives the Plan's Health Coverage Waiver Form for the Dependent whose coverage is to be terminated.

SURVIVING DEPENDENTS

A surviving Dependent must elect to continue coverage within sixty-one (61) days from the date of the Participant's death. All payments for coverage from the date of the Participant's death must be received to continue coverage.

1. A surviving spouse/domestic partner or surviving child of a deceased State Plan Participant (for COBRA members refer to COBRA Continuation Coverage) may continue coverage under this Plan.
2. A surviving spouse/domestic partner may elect to continue coverage for as long as the spouse/domestic partner is not remarried, in active military service, or employed and by virtue of that event becomes eligible for coverage under another group health plan with equivalent medical benefits and costs.
3. A surviving Dependent child may continue coverage for as long as the Dependent child does not have equivalent medical coverage and is not eligible for medical benefits by virtue of the employment of a surviving parent, legal guardian or spouse/domestic partner until age twenty-six (26) or is not eligible for coverage under another group health plan with equivalent medical benefits and costs or the Dependent ceases to be an eligible Dependent as defined in the Plan.
4. Only those Dependents of a Participant of the Plan at the time of the Participant's death are eligible for continuation coverage under this Plan. Newly acquired Dependents of a surviving spouse/domestic partner or surviving Dependent child are not eligible for coverage under this Plan, except for the spouse or domestic partner who elects survivor benefits, the unborn child of the deceased Participant is eligible to enroll for coverage.
5. Surviving Dependents are eligible to continue coverage under COBRA Continuation Coverage when this benefit is exhausted, subject to all Plan provisions and limitations.

RESPONSIBILITY TO REMOVE INELIGIBLE DEPENDENTS

It is the member's responsibility (Employee, Retiree, COBRA enrollee, or surviving spouse/domestic partner) to remove any Dependents that cease to be eligible from coverage within sixty (60) days of the date eligibility is lost. The Employee, Retiree, COBRA enrollee, or surviving spouse/domestic partner is responsible for repayment of any claim dollars paid out for an ineligible Dependent. Any excess benefit contributions paid for the ineligible Dependent will be refunded if the notification is received by Health Care and Benefits Division (HCBD) within sixty (60) days of the date eligibility is lost. Refunds will not be issued if notification was made after sixty (60) days of the date eligibility is lost. In the event of automatic coverage termination due to death or State Children's Health Insurance Program (SCHIP) eligibility, contributions subsequently collected will be returned as pre-tax or after-tax depending on which method was used to pay the contributions.

RESCISSION OF COVERAGE

Coverage for an Employee and/or Dependent may be rescinded if the Plan Administrator determines that the Employee or a Dependent engaged in fraud or intentional misrepresentation in order to obtain coverage and/or benefits under the Plan. In such case, the Participant will receive written notice at least thirty (30) days before the coverage is rescinded.

CONTINUATION COVERAGE AFTER TERMINATION

Under the Public Health Service Act, as amended, Employees, spouses or domestic partners and their enrolled Dependents may have the right to continue coverage beyond the time coverage would ordinarily have ended. The law applies to employers who normally employ twenty (20) or more employees.

The Plan Administrator is State of Montana, 100 N. Park St. Suite 320, P.O. Box 200130, Helena, MT, 59620 (406) 444-7462, (800)287-8266. The Plan Administrator is responsible for administering COBRA Continuation Coverage.

COBRA Continuation Coverage is available to any Qualified Beneficiary whose coverage would otherwise terminate due to any Qualifying Event. COBRA Continuation Coverage under this provision will begin on the first day immediately following the date coverage terminates.

1. Qualifying Events for Participants, for purposes of this section, are the following events, if such event results in a loss of coverage under this Plan:
 - A. The termination (other than by reason of gross misconduct) of the Participant's employment.
 - B. The reduction in hours of the Participant's employment.
2. Qualifying Events for covered Dependents, for purposes of this section are the following events, if such event results in a loss of coverage under this Plan:
 - A. Death of the Participant or Retiree.
 - B. Termination of the Participant's employment.
 - C. Reduction in hours of the Participant's employment.
 - D. The divorce or legal separation of the Participant or Retiree from his or her spouse.
 - E. A covered Dependent child ceases to be a Dependent as defined by the Plan.

NOTIFICATION RESPONSIBILITIES

The Covered Person must notify the Employer of the following Qualifying Events within sixty (60) days after the date the event occurs. The Employer must notify the Plan Administrator of any of the following:

1. Death of the Participant or Retiree.
2. The divorce or legal separation of the Participant or Retiree from his or her spouse.
3. A covered Dependent child ceases to be a Dependent as defined by the Plan.

The Employer must notify the Plan Administrator of the following Qualifying Events within thirty (30) days after the date of the event occurs:

1. Termination (other than by reason of gross misconduct) of the Participant's employment.
2. Reduction in hours of the Participant's employment.

ELECTION OF COVERAGE

When the Plan Administrator is notified of a Qualifying Event, the Plan Administrator will notify the Qualified Beneficiary of the right to elect continuation of coverage. Notice of the right to COBRA Continuation Coverage will be sent by the Plan no later than fourteen (14) days after the Plan Administrator is notified of the Qualifying Event.

A Qualified Beneficiary has sixty (60) days from the date coverage would otherwise be lost or sixty (60) days from the date of notification from the Plan Administrator, whichever is later, to notify the Plan Administrator that he or she elects to continue coverage under the Plan. Failure to elect continuation within that period will cause coverage to end.

MONTHLY PREMIUM PAYMENTS

A Qualified Beneficiary is responsible for the full cost of continuation coverage. Monthly premium for continuation of coverage must be paid in advance to the Plan Administrator. The premium required under the provisions of COBRA is as follows:

1. For a Qualified Beneficiary: The premium is the same as applicable to any other similarly situated non-COBRA Participant plus an additional administrative expense of up to a maximum of two percent (2%).
2. Social Security Disability: For a Qualified Beneficiary continuing coverage beyond eighteen (18) months due to a documented finding of disability by the Social Security Administration within 60 days after becoming covered under COBRA, the premium may be up to a maximum of 150% of the premium applicable to any other similarly situated non-COBRA Participant.
3. For a Qualified Beneficiary with a qualifying Social Security Disability who experiences a second Qualifying Event:
 - A. If another Qualifying Event occurs during the initial eighteen (18) months of COBRA coverage, such as a death, divorce or legal separation, the monthly fee for qualified disabled person may be up to a maximum of one hundred and two percent (102%) of the applicable premium.
 - B. If the second Qualifying Event occurs during the nineteenth (19th) through the twenty-ninth (29th) month (the Disability Extension Period), the premium for a Qualified Beneficiary may be up to a maximum of one hundred fifty percent (150%) of the applicable premium.

Payment of claims while covered under this COBRA Continuation Coverage Provision will be contingent upon the receipt by the Employer of the applicable monthly premium for such coverage. The monthly premium for continuation coverage under this provision is due the first of the month for each month of coverage. A grace period of thirty (30) days from the first of the month will be allowed for payment. Payment will be made in a manner prescribed by the Employer.

DISABILITY EXTENSION OF 18-MONTH PERIOD OF CONTINUATION COVERAGE

If the Qualified Beneficiary who is covered under the Plan is determined by the Social Security Administration to be disabled at any time before the qualifying event or within sixty (60) days after the qualifying event, and the Plan Administrator is notified in a timely fashion, the Qualified Beneficiary covered under the Plan can receive up to an additional 11 months of COBRA Continuation Coverage, for a total maximum of 29 months. The Plan Administrator must be provided with a copy of the Social Security Administration's disability determination letter within sixty (60) days after the date of the determination and before the end of the original 18-month period of COBRA Continuation Coverage. This notice should be sent to: State of Montana, 100 N. Park St. Suite 320, P.O. Box 200130, Helena, MT, 59620.

SECOND QUALIFYING EVENT EXTENSION OF 18-MONTH PERIOD OF CONTINUATION COVERAGE

If another qualifying event occurs while receiving COBRA Continuation Coverage, the spouse and Dependent children of the Employee can get additional months of COBRA Continuation Coverage, up to a maximum of thirty-six (36) months. This extension is available to the spouse and Dependent children if the former employee dies or becomes divorced or legally separated. The extension is also available to a Dependent child when that child stops being eligible under the Plan as a Dependent child. **In all of these cases, the Plan Administrator must be notified of the second qualifying event within sixty (60) days of the second qualifying event. This notice must be sent to: State of Montana, 100 N. Park St. Suite 320, P.O. Box 200130, Helena, MT, 59620. Failure to provide notice within the time required will result in loss of eligibility for COBRA Continuation Coverage.**

MEDICARE ENROLLMENT EXTENSION OF 18-MONTH PERIOD OF CONTINUATION COVERAGE

The dependents of a former employee are eligible to elect COBRA Continuation Coverage if they lose coverage as a result of the former employee's enrollment in Part A and Part B of Medicare, whichever occurs earlier.

When the former employee enrolls in Medicare before the Qualifying Event of termination, or reduction in hours, of employment occurs, the maximum period for COBRA Continuation Coverage for the spouse and dependent children ends on the later of:

1. Eighteen (18) months after the Qualifying Event of termination of employment or reduction in hours of employment; or
2. Thirty-six (36) months after the former employee's enrollment in Medicare.

When the former employee enrolls in Medicare after the Qualifying Event of termination, or reduction in hours, of employment, the maximum period for COBRA Continuation Coverage for the spouse and dependent children ends eighteen (18) months after the Qualifying Event, unless a second Qualifying Event, as described above occurs within that eighteen (18) month period.

WHEN COBRA CONTINUATION COVERAGE ENDS

COBRA Continuation Coverage and any coverage under the Plan that has been elected with respect to any Qualified Beneficiary will cease on the earliest of the following:

1. On the date the Qualified Beneficiary becomes covered under another group health plan or health insurance.
2. On the date, after the date of election for COBRA Continuation Coverage, that the Qualified Beneficiary becomes enrolled in Medicare (either Part A and Part B).
3. On the first date that timely payment of any premium required under the Plan with respect to COBRA Continuation Coverage for a Qualified Beneficiary is not made to the Plan Administrator.
4. On the date the Employer ceases to provide any group health plan coverage to any Employee.
5. On the date of receipt of written notice that the Qualified Beneficiary wishes to terminate COBRA Continuation Coverage.
6. On the date that the maximum coverage period for COBRA Continuation Coverage ends, as follows:
 - A. Eighteen (18) months for a former employee who is a Qualified Beneficiary as a result of termination, or reduction in hours, of employment;

- B. Eighteen (18) months for a Dependent who is a Qualified Beneficiary unless a second Qualifying Event occurs within that eighteen month period entitling that Dependent to an additional eighteen (18) months;
 - C. For the Dependent who is a Qualified Beneficiary as a result of termination, or reduction in hours, of employment of the former employee if that former employee enrolled in Medicare before termination, or reduction in hours, of employment, the later of eighteen (18) months from the Qualifying Event, or thirty-six (36) months following the date of enrollment in Medicare.
 - D. On the first day of the month beginning thirty (30) days after a Qualified Beneficiary is determined to be no longer disabled by the Social Security Administration if the Qualified Beneficiary was found to be disabled on or within the first sixty (60) days of the date of the Qualifying Event and has received at least eighteen (18) months of COBRA Continuation Coverage. COBRA Continuation Coverage will also terminate on such date for all Dependents who are Qualified Beneficiaries as a result of the Qualifying Event unless that Dependent is entitled to a longer period of COBRA Continuation Coverage without regard to disability.
 - E. Twenty-nine (29) months for any Qualified Beneficiary if a Disability Extension Period of COBRA Continuation Coverage has been granted for such Qualified Beneficiary.
 - F. Thirty-six (36) months for all other Qualified Beneficiaries.
7. On the same basis that the Plan can terminate for cause the coverage of a similarly situated non-COBRA Participant.

COVERAGE FOR A MILITARY RESERVIST

To the extent required by the Uniform Services Employment and Reemployment Rights Act (USERRA), the following provisions will apply:

1. If a Participant's employment is terminated with Employer by reason of service in the uniformed services, the Participant may elect to continue coverage under this Plan for himself or herself and his or her eligible Dependents as provided in this subsection. The maximum period of coverage under such an election will be the lesser of:
 - A. The twenty-four (24) month period beginning on the date on which the Participant's absence begins; or
 - B. The period beginning on the date on which the Participant's absence begins and ending on the day after the date on which the Participant fails to apply for or return to a position of employment, as required by USERRA.
2. A Participant who elects to continue Plan coverage under this Section may be required to pay not more than one hundred two percent (102%) of the full premium under the Plan (determined in the same manner as the applicable premium under Section 4980B(f)(4) of the Internal Revenue Code of 1986) associated with such coverage for the Employer's other Employees, except that in the case of a person who performs service in the uniformed services for less than thirty-one (31) days, such person may not be required to pay more than the regular Employee share, if any, for such coverage.
3. In the case of a Participant whose coverage under the Plan is terminated by reason of service in the uniformed services, an exclusion or Waiting Period may not be imposed in connection with the reinstatement of such coverage upon reemployment if an exclusion or Waiting Period would not have been imposed under the Plan had coverage of such person by the Plan not been terminated as a result of such service. This paragraph applies to the Employee who notifies the Employer of his or her intent to return to employment in a timely manner as defined by USERRA, and is reemployed and to any Dependent who is covered by the Plan by reason of the reinstatement of the coverage of such Employee. **This provision will not apply to the coverage of any illness or injury determined by the Secretary of Veterans Affairs to have been caused by or aggravated during, performance of service in the uniformed services.**

COVERAGE FOR A MONTANA NATIONAL GUARD MEMBER

To the extent required by the Montana Military Service Employment Rights Act (MMSERA), the following provisions will apply:

“State Active Duty” means duty performed by a Montana National Guard member when a disaster is declared by the proper State authority and shall include the time period as certified by a licensed physician to recover from an Illness or Injury incurred while performing the state active duty.

1. In any case in which a Covered Person has coverage under this Plan, and such Covered Person is absent from employment with Employer by reason of State Active Duty, the Covered Person may elect to continue coverage under this Plan for himself or herself and his or her eligible Dependents as provided in this subsection. The maximum period of coverage under such an election shall be the period beginning on the thirty-first consecutive day of State Active Duty and ending on the day immediately before the day the Covered Person returns to a position of employment with the Employer, provided the Covered Person returns to employment in a timely manner, or ending on the day immediately after the day the Covered Person fails to return to a position of employment in a timely manner.

For purposes of this subsection, a timely manner means the following:

- A. For State Active Duty of thirty (30) days but not more than one hundred eighty (180) days, the next regularly scheduled day of Active Service following fourteen (14) days after the termination of State Active Duty.
 - B. For State Active Duty of more than one hundred eighty (180) days, the next regularly scheduled day of Active Service following ninety (90) days after the termination of State Active Duty.
2. An eligible Covered Person who elects to continue Plan coverage under this Section may be required to pay:
 - A. Not more than one hundred percent (100%) of the contribution required from a similarly situated active Employee until such Covered Person becomes eligible for coverage under the State of Montana Health Benefit Plan as an employee of the Department of Military Affairs.
 - B. Not more than one hundred two percent (102%) of the contribution required from a similarly situated active Employee for any period of time that the Covered Person is also eligible for coverage under the State of Montana Health Benefit Plan as an employee of the Department of Military Affairs.
 3. In the case of a person whose coverage under the Plan is terminated by reason of State Active Duty, a Waiting Period may not be imposed in connection with the reinstatement of such coverage upon reemployment if such an exclusion or Waiting Period would not have been imposed under the Plan had coverage of such person by the Plan not been terminated as a result of such service. This paragraph applies to the Employee who is reemployed in a timely manner as defined by MMSERA and to any Dependent who is covered by the Plan by reason of the reinstatement of the coverage of such Employee.
 4. **In no event will this Plan cover any Illness or Injury determined by the Montana Department of Military Affairs to have been caused by or aggravated during, performance of State Active Duty.**

FRAUD AND ABUSE

THIS PLAN IS SUBJECT TO FEDERAL LAW WHICH PERMITS CRIMINAL PENALTIES FOR FRAUDULENT ACTS COMMITTED AGAINST THE PLAN. STATE LAW MAY ALSO APPLY.

Anyone who knowingly defrauds or tries to defraud the Plan, or obtains Plan funds through false statements or fraudulent schemes, may be subject to criminal prosecution and penalties. The following may be considered fraudulent:

1. Falsifying eligibility criteria for a Dependent to get or continue coverage for that Dependent when not otherwise eligible for coverage;
2. Falsifying or withholding medical history or information required to calculate benefits;
3. Falsifying or altering documents to get coverage or benefits;
4. Permitting a person not otherwise eligible for coverage to use a Plan ID card to get Plan benefits; or
5. Submitting a fraudulent claim or making untruthful statements to the Plan to get reimbursement from the Plan for services that may or may not have been provided to a Covered Person.

The Plan Administrator, in its sole discretion, may take additional action against the Participant or Covered Person including, but not limited to, terminating the Participant or Covered Person's coverage under the Plan.

MISSTATEMENT OF AGE

If the Covered Person's age was misstated on an enrollment form or claim, the Covered Person's eligibility or amount of benefits, or both, will be adjusted to reflect the Covered Person's true age. If the Covered Person was not eligible for coverage under the Plan or for the amount of benefits received, the Plan has a right to recover any benefits paid by the Plan. A misstatement of age will not continue coverage that was otherwise properly terminated or terminate coverage that is otherwise validly in force.

MISREPRESENTATION OF ELIGIBILITY

If a Participant misrepresents a Dependent's marital status, domestic partnership status, age, Dependent child relationship or other eligibility criteria to get coverage for that Dependent, when he or she would not otherwise be eligible, coverage for that Dependent will terminate as though never effective.

MISUSE OF IDENTIFICATION CARD

If a Covered Person permits any person who is not otherwise eligible as a Covered Person to use an ID card, the Plan Sponsor may, at the Plan Sponsor's sole discretion, terminate the Covered Person's coverage.

REIMBURSEMENT TO PLAN

Payment of benefits by the Plan for any person who was not otherwise eligible for coverage under this Plan but for whom benefits were paid based upon fraud as defined in this section must be reimbursed to the Plan by the Participant. Failure to reimburse the Plan upon request may result in an interruption or a loss of benefits by the Participant and Dependents.

RESCISSION OF COVERAGE

Coverage for an Employee and/or Dependent may be rescinded if the Plan Administrator determines that the Employee or a Dependent engaged in fraud or intentional misrepresentation in order to obtain coverage and/or benefits under the Plan. In such case, the Participant will receive written notice at least thirty (30) days before the coverage is rescinded.

RECOVERY/REIMBURSEMENT/SUBROGATION

By enrollment in this Plan, Covered Persons agree to the provisions of this section as a condition precedent to receiving benefits under this Plan. Failure of a Covered Person to comply with the requirements of this section may result in the Plan pending the payment of benefits.

RIGHT TO RECOVER BENEFITS PAID IN ERROR

If the Plan makes a payment in error to or on behalf of a Covered Person or an assignee of a Covered Person to which that Covered Person is not entitled, or if the Plan pays a claim that is not covered, the Plan has the right to recover the payment from the person paid or anyone else who benefitted from the payment. The Plan can deduct the amount paid from the Covered Person's future benefits, or from the benefits for any covered Family member even if the erroneous payment was not made on that Family member's behalf.

Payment of benefits by the Plan for Participants' spouses, ex-spouses, or children, who are not eligible for coverage under this Plan, but for whom benefits were paid based upon inaccurate, false information provided by, or information omitted by, the Employee will be reimbursed to the Plan by the Employee. The Employee's failure to reimburse the Plan after demand is made, may result in an interruption in or loss of benefits to the Employee, and could be reported to the appropriate governmental authorities for investigation of criminal fraud.

The Plan may recover such amount by any appropriate method that the Plan Administrator, in its sole discretion, will determine.

The provisions of this section apply to any Physician or Licensed Health Care Provider who receives an assignment of benefits or payment of benefits under this Plan. If a Physician or Licensed Health Care Provider fails to refund a payment of benefits, the Plan may refuse to recognize future assignments of benefits to that provider.

REIMBURSEMENT

The Plan's right to Reimbursement is separate from and in addition to the Plan's right of Subrogation. If the Plan pays benefits for medical expenses on a Covered Person's behalf, and another party was responsible or liable for payment of those medical expenses, the Plan has a right to be reimbursed by the Covered Person for the amounts the Plan paid, but the Plan may seek reimbursement only if the Covered Person has been made whole.

Accordingly, if a Covered Person, or anyone on his or her behalf, settles, is reimbursed or recovers money from any person, corporation, entity, liability coverage, no-fault coverage, uninsured coverage, underinsured coverage, or other insurance policies or funds for any accident, Injury, condition or Illness for which benefits were provided by the Plan and the Covered Person has been made whole, in that event, the Covered Person agrees to hold the money received for the benefit of the Plan. The Covered Person agrees to reimburse the Plan, in first priority, from any money recovered from a liable third party, for the amount of all money paid by the Plan to the Covered Person or on his or her behalf or that will be paid as a result of the accident, Injury, condition or Illness.

Provided that the Covered Person has been made whole, reimbursement to the Plan will be paid first, in its entirety, regardless of whether the settlement, judgment or payment he or she receives is for or specifically designates the recovery, or a portion thereof, as including health care, medical, disability or other expenses or damages.

SUBROGATION

The Plan's right to Subrogation is separate from and in addition to the Plan's right to Reimbursement. Subrogation is the right of the Plan to exercise the Covered Person's rights and remedies in order to recover from any third party who is liable to the Covered Person for a loss or benefits paid by the Plan, provided the Covered Person has been made whole. The Plan may proceed through litigation or settlement in the name of the Covered Person, with or without his or her consent, to recover benefits paid under the Plan.

Provided that he/she has been made whole, the Covered Person agrees to subrogate to the Plan any and all claims, causes of action or rights that he or she has or that may arise against any entity who has or may have caused, contributed to or aggravated the accident, Injury, condition or Illness for which the Plan has paid benefits, and to subrogate any claims, causes of action or rights the Covered Person may have against any other coverage including, but not limited to, liability coverage, no-fault coverage, uninsured motorist coverage, underinsured motorist coverage, or other insurance policies, coverage or funds.

NOTICES

NEWBORNS' AND MOTHERS' HEALTH PROTECTION ACT: Group health insurance issuers offering group health insurance coverage generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a normal vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours or 96 hours as applicable. In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the Plan or the issuer for prescribing a length of stay not in excess of 48 hours or 96 hours as applicable.
