**Dear State Plan Member:**

In partnership with the State of Montana Benefit Plan's (State Plan's) new pharmacy benefit manager, [Navitus Health Solutions](#), the State Plan is excited to announce a new service that will help State Plan members make the most of each dollar they spend on prescription medications. [Navi-Gate GPS](#) is a new web and mobile-based offering that will enable State Plan members to save on prescription costs in three easy ways:

**1) Look up drug prices.**

Use Price Search to quickly look up prices for your current prescriptions and find savings opportunities. You may find significant savings.

**2) Transfer to save.**

When you find a lower price, [Navi-Gate® GPS](#) makes it easy to transfer prescriptions to lower-cost pharmacies. Simply click the Transfer and Save button and follow the prompts to save on prescription costs.

**3) Track your pharmacy benefits.**

The [Navi-Gate GPS](#) website makes it super-easy to review how much you've spent, as well as progress toward the annual Maximum Out-of-Pocket liability you have.

Learn how you can save, watch the [Navi-Gate GPS](#) one-minute video:
