

# STATE SHARE PAY STUB CHANGES EFFECTIVE JANUARY 3, 2018

December 15, 2017

Changes are coming. Beginning January 3, 2018, employee pay stubs will be simplified.

Pay stubs will no longer display the State Share credit indicating employer contribution amounts. **This update to pay stubs has no impact to employee compensation, net pay, or the cost of benefits.**

The amount paid by each employee for benefits will remain on the pay stubs. This change makes the out-of-pocket amounts and year-to-date tax deductions easier to understand.

Under 2-18-703 MCA, the State Share from the State of Montana to help cover group benefit employee costs will continue.
