

Hometown Diabetes Care Hometown Asthma Care \$0 Copay Opportunities

April 2, 2019

Have you received a phone call from a pharmacist offering MTm (short for medication therapy management) services lately? Did you know this service is part of your State of Montana Benefit Plan (State Plan) benefits designed to help employees and their dependents stay healthier through better management of their medications and health conditions?

The Hometown MTm program is offered through a groundbreaking partnership between the State Plan, Montana Family Pharmacies (a group of 60+ independent community pharmacies), and the University of Montana School of Pharmacy.

Please see below for more information regarding the value the Hometown MTm Program can bring to you and your covered dependents.

Hometown Diabetes Care

Did you know State Plan members and their covered dependents with diabetes (of any type) or prediabetes have access to \$0 copay Glucocard Shine meters and test strips, plus several other diabetes-related benefits through the [Hometown Diabetes Care Program](#)?

Hometown Asthma Care

Did you know State Plan members and their covered dependents with respiratory conditions (such as asthma and COPD) have access to \$0 copay valved holding chambers, copay assistance, and several other asthma-related benefits through the [Hometown Asthma Care Program](#)?

How Do I Get More Information?

When reaching out via phone or email, please include your preferred contact phone number and/or email address. Contact Montana Family Pharmacies at (406) 298-4140 or info@montanafamilypharmacies.com for more information or to enroll in either of these programs.
