INTRODUCTION

WHAT WILL NAVITUS MEDICARERX (PDP) COST ME FOR PREMIUMS?
Your coverage is provided through the State Plan and they can be contacted at 1-800-287-8266 or benefitsquestions@mt.gov for information about required plan contributions. To be a member of the plan, you must be enrolled in Medicare Parts A and B, and live in our service area (United States and Puerto Rico). Your premium for Medicare Parts A and B must be paid, in order to keep your Medicare Parts A and B coverage and to remain a member of the State Plan.

• Your monthly plan premium will be more when/if you enroll in Medicare prescription drug coverage in the future if you have gone without other drug coverage called “creditable coverage”. You will be required to pay a lifetime Part D late enrollment penalty if you have not had coverage at least as good as Medicare’s drug coverage for 63 days or more. You can find additional information on Page 6 of this booklet.

• If you have a higher income, you may have to pay an additional amount each month directly to the government for your Medicare prescription coverage. You can find additional information on Page 6 of this booklet.

• If you qualify for “Extra Help”, your Medicare prescription plan costs, the amount of your premium, and your drug costs at the pharmacy will be less. You can find additional information on page 11 of this booklet.

WHAT IS THE MEDICARE DEDUCTIBLE IN 2018?
For 2018 the Medicare Part D Deductible is $405. However, you will only be responsible for your supplemental plan’s copayment or coinsurance as set by the State Plan. You can find more information on copays on page 5 of this booklet.

WHAT IS THE MAXIMUM OUT-OF-POCKET IN 2018?
Your Prescription Maximum Out-of-Pocket for 2018 is $1,800 for an individual and $3,600 for a family. This amount includes all Tier 1 and Tier 2 copayments/coinsurance. Tier 4 coinsurance is also included if your prescription is filled at the Preferred Specialty Pharmacy.
DOES MY PLAN COVER MEDICARE PART B OR PART D DRUGS?

Navitus MedicareRx does not cover drugs that are covered under Medicare Part B as prescribed and dispensed, the State Plan will pay secondary to Medicare Part B on select items such as diabetic testing supplies (review the 2018 Formulary to confirm coverage). Generally, the State Plan only covers drugs, vaccines, biologicals and medical supplies that are covered under the Medicare Prescription Drug Benefit (Part D) and that are on the Formulary. The drugs on the Formulary are selected by Navitus MedicareRx with the help of a team of doctors and pharmacists. The list must meet specific requirements set by Medicare. Medicare has approved the Navitus MedicareRx Formulary. The supplemental portion for the State Plan covers some additional drugs that are not part of the standard Medicare Part D (PDP) formulary list.
Please call Navitus MedicareRx (PDP) for more information about this plan.

* These preventative medications will be notated on the Formulary.
### Additional Help for Medicare

Programs are available to help people with limited resources pay for prescriptions. If you think you may qualify for Medicare’s “Extra Help” program, call Social Security 1-800-772-1213, between 7 am and 7 pm, Monday through Friday to apply for the program. TTY users should call 1-800-325-0778. You may also be able to apply at your State Medical Assistance or Medicaid Office. After you apply, you will get a letter letting you know if you qualify for “Extra Help” and what you need to do next.

### Centers for Medicare & Medicaid Services (CMS)

Centers for Medicare & Medicaid Services (also known as CMS) is the Federal agency that administers and regulates Medicare. For information on the Medicare benefit only (not related to your supplemental/retiree plan) we recommend reviewing CMS’s Medicare & You booklet. This booklet is mailed out in September to all Medicare households by CMS. You can also sign up to get this handbook electronically at MyMedicare.gov. You won’t get a printed copy if you choose to get it electronically.

### Creditable Drug Coverage

Creditable drug coverage is as good as Medicare’s standard prescription drug coverage. It’s expected to pay, on average, at least as much as a Medicare Part D plan. A late enrollment penalty is imposed on individuals who do not maintain creditable coverage for any period of 63 days or longer following their initial enrollment period for the Medicare Part D benefit.

### Income Related Monthly Adjustment Amount (IRMAA)

If your income is above a certain limit, you will pay an income-related monthly adjustment amount to CMS for your Medicare premium, this is in addition to the Plan’s premium. For example, individuals with income greater than $85,000 and married couples with income greater than $170,000 must pay a higher Medicare Part B (medical insurance) and Medicare prescription coverage premium amount. This additional amount is called the income-related monthly adjustment amount. Less than 5% of people with Medicare are affected, so most people will not pay a higher premium.

For more information, see Chapter 1, Section 6 of your 2018 Evidence of Coverage booklet.
### Maximum Out-Of-Pocket

The Maximum Out-of-pocket is established by the plan. Once the appropriate maximum is reached, certain medications may be provided to you at $0 additional cost for the remainder of the plan year.

### Network Pharmacies

The first step to filling your prescription is deciding on a participating network pharmacy. We have network pharmacies across the country where you can obtain your prescriptions as a member of our plan. There is a complete list of participating pharmacies on our website, [https://medicarerx.navitus.com](https://medicarerx.navitus.com).

In the event of an emergency where you are not able to utilize a network pharmacy, an out-of-network pharmacy may be able to fill your prescription. Your plan will allow up to a **10-day supply** of medication at an out-of-network pharmacy. You will be responsible to pay for the full amount of the copayment/coinsurance.

To submit a claim that you already paid in full, you must provide specific information about the prescription, the reason you are requesting reimbursement, or any other payments made by primary insurers. Complete the appropriate claim form (you can access the form by visiting our website, [https://medicarerx.navitus.com](https://medicarerx.navitus.com)) and mail it along with the pharmacy receipts.

### Preferred Mail Order Pharmacy

Our mail order service offers an easy way for you to get up to a 90-day supply of your long-term or maintenance medications. You can use any contracted pharmacy you like, currently the preferred mail order pharmacies are **Costco Mail Order Pharmacy**, **Ridgeway Mail Order Pharmacy**, and **miRx Mail Order Pharmacy**. You will be receiving a directory of pharmacies with your Evidence of Coverage booklet. There is also a complete list of participating pharmacies on our website, [https://medicarerx.navitus.com](https://medicarerx.navitus.com).

Using the preferred mail order pharmacy allows you to have your medications delivered to your home – and in some cases at a lower rate than if you purchased at a retail pharmacy.

Note: Costco Mail Order use does not require a Costco Warehouse members.
### Preferred Specialty Pharmacy

You can use any contracted pharmacy you like, however Navitus and the State Plan have contracted with **Lumicera Specialty Pharmacy** to provide the best home-delivery service and rates on Specialty Drugs. If you use the preferred specialty pharmacy, Lumicera Specialty Pharmacy, you will only be responsible for a $50 copayment versus 50% coinsurance for utilizing a non-preferred pharmacy.

### Supplemental Wrap Coverage

Supplemental Coverage is provided as part of your benefits under the State Plan. This supplemental coverage may pay for prescription drug costs even when Medicare does not pay. However, you will still be responsible for paying copayments and coinsurance as indicated above.

Once you are enrolled in Navitus MedicareRx, Medicare will tell us how much assistance you will be receiving and we will send you information on the amount you will pay for your prescriptions. Navitus MedicareRx will refund the amount of the assistance for your premiums to you monthly. If you are not receiving this additional assistance and believe you may qualify, you should contact 1-800-MEDICARE. WHAT ARE MY PROTECTIONS IN THE STATE PLAN?

All Medicare prescription plans agree to stay in the program for a full year at a time. Each year, the State Plan decides whether to continue for another year. If the State Plan decides not to continue, the State Plan must send you a letter at least 90 days before your coverage will end. The letter will explain your options for Medicare prescription coverage in your area.

If Navitus MedicareRx ever denies coverage for your prescriptions, we will explain our decision to you. You always have the right to appeal and ask us to review the claim that was denied. In addition, if your physician prescribes a drug that is not on our formulary, is not a preferred drug or is subject to additional utilization rules, you may ask us to make a coverage exception.
