

# Have Medication Questions or Problems? Hometown MTm Can Help!

April 29, 2021

## Help with Medications

Whether you have a quick medication question or are in need of more comprehensive assistance, Hometown MTm is here to help.

Through this no-cost medication therapy management benefit, you can connect with a team of pharmacists dedicated to helping you with medication issues such as:

- Medication side effects
- Drug interactions
- Cost assessment (including suggesting cost-saving alternatives or manufacturer copay assistance)
- Comprehensive medication review (for those in need of complex or in-depth assistance)
- Any other medication-related question or issue

Participation is easy! Just contact Hometown MTm at (406) 298-4140 option 1 or [info@hometownmtm.com](mailto:info@hometownmtm.com). No enrollment or referral is necessary, and this service is available at no cost to any State Plan Member.

## Hometown Asthma Care

Did you know State Plan members and their covered dependents with respiratory conditions (such as asthma and COPD) have access to \$0 copay valved holding chambers, copay assistance, and several other asthma-related benefits through the [Hometown Asthma Care Program](#)? Additionally, as part of this program, Certified Asthma Educators can help you form a plan to be prepared for allergy season, since allergies often make asthma worse.

This program is available at no cost to State Plan members with asthma, COPD, or any other respiratory condition.

## Hometown Diabetes Care

Through that same partnership, the [Hometown Diabetes Care Program](#) provides \$0 copay Glucocard Shine meters and test strips (and other diabetes-related benefits) to State Plan members with diabetes (of any type) or prediabetes.

## How Do I Get More Information?

Please contact Montana Family Pharmacies at (406) 298-4140, option 1 or [info@hometownmtm.com](mailto:info@hometownmtm.com) for more information.

*Hometown MTm, Hometown Asthma Care, and Hometown Diabetes Care are brought to you through a groundbreaking collaboration between the University of Montana School of Pharmacy and Montana Family Pharmacies.*
