## Important Notice State of Montana Dental Plan Miles City Area

Recently, Dr. Aye, Aye Family Dentistry, in Miles City, MT sent out a notice to all his patients advising them that he is no longer a Delta Dental PPO dentist. In the notice he does indicate he is still a Delta Dental Premier Dentist.

**The State of Montana Dental Plan includes PPO and Premier as in-network dentists with Delta Dental.**

PPO dentists **and** Premier dentists agree to a contracted allowed amount and will not balance bill patients the difference between the contracted allowed amount and the dentist's billed charges. PPO dentists agree to a lower contracted allowance and in-turn the patient's coinsurance amount is lower because it is based on the lower contracted allowance. Premier dentists receive a higher contracted allowance which means the patients coinsurance amount would be slightly higher.

Patients are still responsible for their deductible and coinsurance amounts.

**What does this mean for you?** You can continue to receive services with Dr. Aye, Aye Family Dentistry, in Miles City, MT and will not be balance billed the difference between what is charged and the Delta Dental Premier contracted allowance.
