State Plan Dental Network Options

You can visit any licensed dentist and receive coverage under the State Plan, but you'll usually get the most value from your State Plan benefit when you choose a PPO or Premier Dentist. [Watch this video](#) to learn how the dental networks compare.

Preferred Provider (PPO Dentist): Have agreed to the lowest contracted fees. Your annual maximum dollars go further and you won't be balance billed.

Premier Dentist: Have agreed to reduced contracted fees (not as low as PPO). Still provides dental insurance benefit, although you may end up paying more out-of-pocket. You won't be balance billed.

Non-Network Dentist: There's no contracted fee agreement, so your dentist can charge any amount. You still receive State Plan benefits, but using a non-network dentist can result in you reaching your annual maximum sooner and potentially being balance billed.

In summary, PPO and Premier Dentists agree to accept the Delta Dental allowance. You will only be responsible for your deductible and coinsurance amounts up to the maximum payable amount when using a PPO and Premier Dentist. **Keep in mind you are responsible for any amount over the \$1,800 annual State Plan maximum, regardless of provider network status.**
