ELIGIBILITY AND EFFECTIVE DATES

Who is eligible for this insurance?
All active Members enrolled in the State sponsored health plan, excluding Legislators, working for the Policyholder in the United States of America who are Actively at Work for the Policyholder and who have completed the Waiting Period.

Member means:
One of the following who is enrolled in the employer-sponsored health plan for employees of the State of Montana:
1. An employee of a department or agency of the judicial, legislative and executive branches of the State;
2. An elected official;
3. An officer of the legislative branch;
4. A judge;
5. An employee of the Montana State Fund

Member does not include a full-time member of the armed forces of any country, a member of the legislature, a leased employee, or an independent contractor.

The Waiting Period is shown in the Schedule of Benefits.

When does Your Contributory insurance become effective?
Your Contributory coverage will become effective on the latest of the following dates, provided You are Actively at Work on that date:
1. If there is no Waiting Period, the date You are eligible for coverage, if You enroll for coverage or sign the Enrollment Form on or before that date;
2. If You sign the Enrollment Form during the Waiting Period, the date You are eligible for coverage;
3. If You sign the Enrollment Form after the end of the Waiting Period, but within 31 days after that day, Your coverage will become effective on the date You sign the Enrollment Form.
4. If You sign the Enrollment Form following this 31-day period, You are considered a late applicant and must furnish Evidence of Insurability satisfactory to Us before coverage can become effective. Coverage will become effective on the date We determine that the Evidence of Insurability is satisfactory, and We provide written notice of approval.

You must be Actively at Work for coverage under the Policy to become effective. If, because of Injury or Sickness, You are not Actively at Work on the date the insurance would otherwise take effect, it will take effect on the day You return to Active Work.

Contributory means You pay all or a portion of the premium for this insurance coverage.

Enrollment Form means the application You complete to apply for coverage under the Policy.

When is Evidence of Insurability required?
Evidence of Insurability is required if:
1. You are a late applicant, which means You enroll for insurance more than 31 days after the date You are eligible for insurance; or
2. You voluntarily canceled Your insurance and are reapplying;

You may obtain an Evidence of Insurability Form from the Policyholder.

Changes to Your coverage
A change in Your coverage may occur if there is a Policy change.
If You are eligible for additional coverage due to a Policy change, the additional coverage will be effective on the date the Policy change is effective, as requested by the Policyholder and agreed upon by Us.

Additional coverage for reasons other than a Policy change will be effective the first of the month following the later of:
1. The date You enroll for the additional coverage;
2. The date We approve Your coverage if Evidence of Insurability is required.

In order for Your additional coverage to begin, You must be in Actively at Work. Additional coverage is subject to payment of premium.

Additional coverage includes increases in Your Monthly Benefit amount and other benefit provisions that may impact when or for how long benefits are payable. Additional coverage is subject to the Pre-Existing Condition Exclusion.

Any decrease in coverage will take effect immediately. If the Date of Disability was prior to the decrease, any claim resulting from that Disability will be paid at the amount in effect at the time the Disability was incurred.

Evidence of Insurability means a statement of Your medical history which We will use to determine if You are approved for coverage. Evidence of Insurability will be provided at Our expense.

Evidence of Insurability Form means a form provided or approved by Us on which You provide a statement of your medical history.

Who pays for Your coverage?

You pay the entire cost of Your coverage.

Do You have to pay premium while You receive benefits?

We will waive premium for You during a period of Disability for which the LTD Monthly Benefit is payable under the Policy. Premium payment is required during Your Elimination Period or any other period when the LTD Monthly Benefit is not payable under the Policy.

What happens if We are replacing an existing Policy? (Continuity of Coverage)

Effect on Actively at Work requirement

If You were insured under the Prior Policy on the day before the Policy Effective Date, You may be covered by the Policy even if You do not satisfy the Actively at Work requirement as stated in the When does insurance become effective? provision and You would otherwise be eligible to become insured under the Policy, We will provide limited coverage under this Plan. Coverage under this provision will begin on the Policy effective date and will continue until the earliest of:
1. The end of the month following the date You become Actively at Work;
2. The end of any period of continuance or extension provided under the Prior Policy; or
3. The date coverage would otherwise end, according to the provisions of the Policy.

Your coverage under this provision is subject to payment of premium.

Effect on Benefits

If You do not satisfy the Actively at Work requirement, You may still be eligible for benefits under the Policy as follows: The benefits payable under the Policy will be the benefits which would have been payable under the terms of the Prior Policy if it had remained in force; and the benefits payable under the Policy will be reduced by any benefits payable under the Prior Policy for the same Disability for which the prior carrier is liable.

The Prior Policy is the group disability insurance policy issued to the Policyholder whose coverage terminated immediately prior to the Policy Effective Date.
Effect on Pre-existing Conditions

If You have a Disability due to a Pre-Existing Condition after the Prior Policy has been replaced by this Plan, Benefits may be payable if:

1. You were insured under the Prior Policy at the time the Policyholder changed coverage from the Prior Policy to the Policy; and
2. You have been continuously insured under this Plan from the effective date of this Plan until the date Your Disability began.

In order for benefits to be paid, You must satisfy the Pre-Existing Condition exclusion under:

1. this Plan; or
2. the Prior Policy, if benefits would have been paid had the Prior Policy remained in force.

If You satisfy the Pre-Existing Condition exclusion of this Plan, We will determine Your payments according to this Plan’s provision.

If You do not satisfy the Pre-Existing Condition exclusion of this Plan, but You do satisfy the Pre-Existing Condition provision under the Prior Policy:

1. Your Monthly Benefit will be the lesser of:
   a. The Monthly Benefit that would have been payable under the terms of the Prior Policy if it had remained in force; or
   b. The Monthly Benefit under this Plan.
2. Benefits will end on the earlier of:
   a. The date benefits end under the Policy, as described under the Maximum Period Payable; or
   b. The date benefits would have ended under the Prior Policy if it had remained in force.

If You do not satisfy the Pre-Existing Condition exclusion under either this Plan or the Prior Policy, We will not make any payments.

We will require proof that You were insured under the Prior Policy.

Eligibility after Your Coverage Ends

If Your coverage ends due to termination of employment or because You cease to be a member of a class eligible for this insurance, You must meet all the requirements of a new Member if You are rehired or resume work as a member of a class eligible for this insurance at a later date.

Exception: If Your coverage ends due to termination of employment and you return to Active Work in an eligible class within 90 days, we will not:
1. apply a new Eligibility Waiting Period;
2. apply a new Pre-existing Condition Exclusion;
3. require Evidence of Insurability.

Exception: If Your coverage ends because You cease to be a member of a class eligible for this insurance, without termination of employment, and you return to Active Work in an eligible class within 90 days, we will not:
1. apply a new Eligibility Waiting Period;
2. apply a new Pre-existing Condition Exclusion;
3. require Evidence of Insurability.
LONG TERM DISABILITY BENEFITS

How do We define Total Disability?

Total Disability or Totally Disabled means that during the first 24 consecutive months of benefit payments due to Sickness or Injury:

1. You are continuously unable to perform the Material and Substantial Duties of Your Regular Occupation, and
2. Your Disability Earnings, if any, are less than 20% of Your pre-disability Indexed Monthly Earnings.

After the LTD Monthly Benefit has been paid for 24 consecutive months, Total Disability or Totally Disabled means that due to Injury or Sickness:

1. You are continuously unable to engage in any Gainful Occupation, and
2. Your Disability Earnings, if any, are less than 20% of Your pre-disability Indexed Monthly Earnings.

How do We define Partial Disability?

Partial Disability or Partially Disabled means that:

1. During the Elimination Period You are unable to perform all of the Material and Substantial Duties of Your Regular Occupation, and You are not working in any occupation.
2. During the first 24 consecutive months of benefit payments, due to Injury or Sickness You are unable to perform one or more of the Material and Substantial Duties of Your Regular Occupation, and Your Disability Earnings, if any, are at least 20% but less than or equal to 80% of Your pre-disability Indexed Monthly Earnings.
3. After the LTD Monthly Benefit has been paid for 24 consecutive months, Partial Disability or Partially Disabled means that due to Injury or Sickness, You are unable to engage in any Gainful Occupation; and Your Disability Earnings, if any, are at least 20% but less than or equal to 60% of Your pre-disability Indexed Monthly Earnings.

Loss of Professional License or Certification

If You require a professional license or certification for Your occupation, loss of that professional license or certification does not in and of itself constitute Disability.

What is the Elimination Period and how is it satisfied?

The Elimination Period is a period of continuous Disability which must be satisfied before You are eligible to receive benefits from Us. It is shown in the Schedule of Benefits and begins on Your Date of Disability.

If You temporarily recover and return to work, We will treat Your Disability as continuous if You return to work for a period of less than or equal to one-half the Elimination Period rounded up to the next whole number, not to exceed 30 days. The days that You are not Disabled will not count toward Your Elimination Period.

If You return to work for a period greater than one-half the Elimination Period, or 30 days, whichever is less, and become Disabled again, You will have to begin a new Elimination Period.

Can You satisfy Your Elimination Period if You are working?

You can satisfy Your Elimination Period if You are working, provided You meet the definition of Disability.

What Disability Benefit are You eligible to receive?

If You are Disabled, You are eligible to receive one of the following at any given time:

1. an LTD Monthly Benefit;
2. a Work Incentive Benefit; or
3. Rehabilitation Incentive Income.
While You are Disabled, You might be eligible to receive one or the other of the above, but You cannot receive more than one of these benefits at the same time.

What is Your LTD Monthly Benefit and how is it calculated?

Your LTD Monthly Benefit will be based on Your Indexed Monthly Earnings as reported to Us by the Policyholder and for which premium has been paid.

An LTD Monthly Benefit will be payable after the end of the Elimination Period if You are Disabled. We will calculate Your Gross LTD Monthly Benefit amount as follows:

1. Multiply Your Monthly Earnings by 60%
2. The maximum Gross LTD Monthly Benefit is $9,200.
3. Compare the answers from Item 1 and Item 2. The lesser of these two amounts is Your Gross LTD Monthly Benefit.
4. Subtract the Deductible Sources of Income from Your Gross LTD Monthly Benefit. The resulting figure is Your Net LTD Monthly Benefit.
5. Compare the answer from item 3 and 4. The lesser amount figured in item 5 is Your Monthly Benefit.

If a benefit is payable for less than one month, it will be paid on the basis of 1/30th of the Net LTD Monthly Benefit for each day of Disability.

What are the Deductible Sources of Income?

1. Disability benefits paid, payable, or for which You are eligible:
   a. The Social Security Act, including any amounts for which Your dependents may qualify because of Your Disability;
   b. Any Workers’ Compensation or Occupational Disease Act or Law, or any other law which provides compensation for an occupational Injury or Sickness;
   c. Occupational accident coverage provided by or through the Policyholder;
   d. Any Statutory Disability Benefit Law;
   e. The Railroad Retirement Act;
   f. The Canada Pension Plan, Quebec Pension Plan, or any other similar disability or pension plan or act;
   g. The Canada Old Age Security Act;
   h. Any Public Employee Retirement System Plan, or any State Teachers’ Retirement System Plan, or any plan provided as an alternative to any of the above acts or plans;
   i. Title 46, United States Code Section 688 et seq (The Jones Act);
   j. Title 33, United States Code Section 901 et seq (Longshore and Harbor Workers’ Compensation Act).

2. Disability benefits paid, payable or for which You are eligible under:
   a. Any group insurance plan, and
   b. Any sick leave, paid time off, or salary continuance plan provided by or through the Policyholder which causes the Net Monthly Benefit, plus Deductible Sources of Income and any salary continuation to exceed 100% of Your pre-disability Indexed Monthly Earnings. The amount in excess of 100% of Your pre-disability Indexed Monthly Earnings will be used to reduce Your Net Monthly Benefit.
   c. Any federal, state or local paid family medical leave or similar plan which causes the Net Monthly Benefit, plus Deductible Sources of Income and any salary continuation to exceed 100% of Your pre-
disability Indexed Monthly Earnings. The amount in excess of 100% of Your pre-disability Indexed Monthly Earnings will be used to reduce Your Net Monthly Benefit.

3. Retirement benefits paid under the Social Security Act including any amounts for which Your dependents may qualify because of Your retirement;
4. Retirement and Disability benefits paid under a Retirement Plan provided by the Policyholder except for amounts attributable to Your contributions;
5. Disability benefits paid under any No Fault Auto Motor Vehicle coverage;
6. Amounts received from a third party (after subtracting attorney’s fees) by judgment, settlement or otherwise, not to exceed 50% of the net settlement;
7. Any unemployment benefits You are eligible to receive.

Proration of Lump Sum Awards
If any Deductible Source of Income described above is paid in a single sum through compromise settlement or as an advance on future liability, We will determine the amount of reduction to Your Gross LTD Monthly Benefit as follows:

1. We will divide the amount paid by the number of months for which the settlement or advance was provided; or
2. If the number of months for which the settlement or advance is made is not known, We will divide the amount of the settlement or advance by the expected remaining number of months for which We will provide benefits for Your Disability based on the Proof of Disability which We have, subject to a maximum of 60 months.

What other sources of income are not deductible?
We will not reduce Your Gross LTD Monthly Benefit by any of the following:

1. deferred compensation arrangements such as 401(k), 403(b) or 457 plans;
2. credit disability insurance;
3. pension plans for partners;
4. military pension and disability income plans;
5. franchise disability income plans;
6. individual disability income plans;
7. a Retirement Plan from another Policyholder;
8. profit sharing plans;
9. thrift or savings plans;
10. individual retirement account (IRA);
11. tax sheltered annuity (TSA);
12. stock ownership plan.

Can You work and still receive benefits?
While Disabled, You may qualify for the Work Incentive Benefit or Rehabilitation Incentive Income, but not both.

Work Incentive Benefit
A Work Incentive Benefit will be payable if You are Disabled and Gainfully Employed after the end of the Elimination Period, or after a period during which You received LTD Monthly Benefits.

The Work Incentive Benefit will be calculated during the first 12 months of disability payments while You are Gainfully Employed as follows:

1. We will add together the Gross Monthly Benefit and Disability Earnings and compare to pre-disability Indexed Monthly Earnings.
2. If the total amount in Item 1 exceeds 100% of pre-disability Indexed Monthly Earnings, the Work Incentive Benefit will be equal to the Net LTD Monthly Benefit reduced by the amount of the excess.

3. If the total amount in Item 1 does not exceed 100% of pre-disability Indexed Monthly Earnings, the Work Incentive Benefit will be equal to the Net LTD Monthly Benefit amount.

After the first 12 months of disability payments while You are Disabled and Gainfully Employed, the Work Incentive Benefit will be equal to the Net Monthly Benefit multiplied by the Adjusted Loss of Salary Ratio.

The Work Incentive Benefit will cease on the earliest of the following:
1. the date You are no longer Disabled; or
2. the end of the Maximum Period Payable; or
3. after the Work Incentive Benefit has been paid for 12 months.

Adjusted Loss of Salary Ratio is equal to: \( \frac{A}{B} \)

\[
A = \text{Your pre-disability Indexed Monthly Earnings} - \text{Your Disability Earnings} \\
B = \text{Your pre-disability Indexed Monthly Earnings}
\]

**Rehabilitation Incentive Income**

Rehabilitation Incentive Income will be payable after the end of the Elimination Period, or after a period during which You received LTD Monthly Benefits. This benefit is payable if You are Disabled and Gainfully Employed in an occupation that has been approved as part of a Rehabilitation Plan.

Rehabilitation Incentive Income will be calculated during the first 12 months of Gainful Employment as follows:

1. If Disability Earnings exceed 100% of pre-disability Indexed Monthly Earnings, Rehabilitation Incentive Income will be equal to the Net Monthly Benefit reduced by the amount of the excess.
2. If Disability Earnings do not exceed 100% of pre-disability Indexed Monthly Earnings, Rehabilitation Incentive Income will be equal to the Net Monthly Benefit.

After the first 12 months of Gainful Employment, Rehabilitation Incentive Income will be equal to the Net LTD Monthly Benefit multiplied by the Adjusted Loss of Salary Ratio.

Rehabilitation Incentive Income will cease on the earliest of the following:
1. as stated in the Rehabilitation Plan;
2. the date You fail to comply with the requirements of the Rehabilitation Plan;
3. the date You are no longer Gainfully Employed; or
4. the end of the Maximum Period Payable.

Adjusted Loss of Salary Ratio is equal to: \( \frac{A}{B} \)

\[
A = \text{Your pre-disability Indexed Monthly Earnings} - \text{Your Disability Earnings} \\
B = \text{Your pre-disability Indexed Monthly Earnings}
\]

**What is the minimum Net LTD Monthly Benefit payable under the Policy?**

The Net LTD Monthly Benefit payable for Disability will not be less than $100 or 10% of Your Gross LTD Monthly Benefit, whichever is greater. The minimum Net LTD Monthly Benefit does not apply if You are Gainfully Employed.

**What happens if Your Deductible Sources of Income increase?**

The Net LTD Monthly Benefit will not be further reduced for subsequent cost-of-living increases which are paid, payable, or for which You or Your dependents are eligible under any Deductible Source of Income shown above.
How long will You receive benefits under the Policy?

We will send You a payment for each month of Disability up to the Maximum Period Payable as shown in the Schedule of Benefits. Payment of benefits is also subject to any benefit duration limitation pertaining to Your Disability.

What happens if Your Disability recurs?

If Disability for which benefits were payable ends but recurs due to the same or related causes less than 6 months after the end of a prior Disability, it will be considered a resumption of the prior Disability. Such recurrent Disability shall be subject to the provisions of the Policy that were in effect at the time the prior Disability began.

Disability which recurs more than 6 months after the end of a prior Disability is subject to:

1. a new Elimination Period;
2. a new Maximum Period Payable; and
3. the other provisions of the Policy that are in effect on the date the Disability recurs.

Disability must recur while Your coverage is in force under the Policy.

EXCLUSIONS AND LIMITATIONS

What are the exclusions and limitations under the Policy?

The Policy does not cover any loss or Disability caused by, resulting from, arising out of or substantially contributed, directly or indirectly, to by any one or more of the following:

Except as specifically stated above, in no event will LTD Monthly Benefits for a Mental Disorder be paid beyond the earliest of the date:

1. 24 LTD Monthly Benefit payments have been made for a Disability due to a Mental Disorder; or
2. the Maximum Period Payable is reached; or

5. You complete the initial treatment plan, exclusive of any aftercare or follow-up services.
The lifetime cumulative *Maximum Period Payable* for all disabilities due to a *Mental Disorder*, is 24 months. Only 24 months of benefits will be paid even if the disabilities:

1. are not continuous; and/or
2. are not related.

Furthermore:

- Benefits will not be payable if the *Policyholder* is willing to make reasonable accommodations to allow *You* to return to *Your Regular Occupation* with a loss of income no greater than 20% of pre-disability Indexed Monthly Earnings, and *You* refuse to return to work.
TERMINATION OF COVERAGE

When will Your insurance terminate?

Your coverage will terminate on the earliest of the following dates:

1. the date on which the Policy is terminated;
2. the first of the month following the date You stop making any required contribution toward payment of premiums;
3. the date on which the Employer’s participation under the Policy is terminated; or
4. the first of the month following the date You:
   a. are no longer a member of a class eligible for this insurance,
   b. request termination of coverage under the Policy,
   c. are retired or pensioned, or
   d. cease work because of a Leave of Absence or Layoff unless We and the Policyholder have agreed in writing in advance of the leave to continue insurance during such period.

Termination will not affect a covered loss which began while the coverage was in force.

Will coverage be continued if You are eligible for leave under FMLA?

In the event You are eligible for and the Policyholder approves a leave under the Family and Medical Leave Act of 1993 (FMLA), or any applicable state or local family and medical leave law (State FML), provided the required premium continues to be paid, Your insurance will continue for a period of up to the later of:

1. the leave period permitted by the FMLA; or
2. the leave period permitted by applicable state or local law.

While granted FMLA or State FML leave:

1. The Policyholder must remit the required premium according to the terms of the Policy; and
2. coverage will terminate if You do not return to work as scheduled according to the terms of Your agreement with the Policyholder.

If Your coverage is not continued during an FMLA or State FML leave, and You become Actively at Work immediately following the end of Your FMLA or State FML leave, Your coverage will be reinstated. We will not apply a new Waiting Period, require Evidence Of Insurability, or apply a new Pre-existing Condition limitation.

Will coverage be continued if You are eligible for leave under USERRA?

If You are on a leave of absence for active military service as described under the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA) and applicable state law, Your coverage may be continued until the end of the later of:

1. the length of time the coverage may be continued under the Certificate for an FMLA or State FML leave of absence; or
2. the length of time the coverage may be continued under the Certificate of Coverage for a Leave of Absence other than an FMLA or State FML leave of absence.

If Your coverage is not continued during a leave for active military service, and You return to active employment, Your coverage may be reinstated in accordance with USERRA and applicable state law.
CLAIMS SERVICES

What other services are available to You while You are Disabled?

If You are Disabled and eligible to receive Disability benefits under the Policy, We will evaluate You for eligibility to receive any of the following. We will make the final determination for any of the following benefits or services.

Vocational Rehabilitation Service

Rehabilitation services are available when We determine that these services are reasonably required to assist in returning You to Gainful Employment. Vocational rehabilitation services might include but are not limited to one or more of the following:

1. job modification;
2. job retraining;
3. job placement;
4. other activities.

Eligibility for vocational rehabilitation services is based upon Your education, training, work experience and physical and/or mental capacity. To be considered for rehabilitation services:

1. Your Disability must prevent You from performing Your Regular Occupation;
2. You must have the physical and/or mental capacities necessary for successful completion of a rehabilitation program, and
3. there must be a reasonable expectation that rehabilitation services will help You return to Gainful Employment.

Social Security Disability Assistance

When necessary, We will provide an advocate for You in applying for and securing Social Security Disability awards. When We determine that Social Security Assistance is appropriate for You, it is provided at no additional cost to You.

FILING A CLAIM

What are the Claim Filing Requirements?

Initial Notice of Claim

We ask that You notify Us of Your claim as soon as possible, so that We may make a timely decision on Your claim. The Policyholder can assist You with the appropriate telephone number and address of Our Claim Department. You must send Us written notice of Your Disability within 30 days of the Date of Disability, or as soon as reasonably possible. Notice may be sent to Our Claim Department at the address shown on the claim form or given to Our Agent.

Written Proof of Loss

Within 15 days of Our being notified in writing of Your claim, We will supply You with the necessary claim forms. The claim form is to be completed and signed by You, the Policyholder and Your Doctor. If You do not receive the appropriate claim forms within 15 days, then You will be considered to have met the requirements for written proof of loss if We receive written proof, which describes the occurrence, extent and nature of loss as stated in the Proof of Disability provision.

Time Limit for Filing Your Claim

You must furnish Us with written proof of loss within 6 months of the Date of Disability. If it is not possible to give Us written proof within 6 months of the Date of Disability, the claim is not affected if the proof is given as soon as possible. However, unless You are legally incapacitated, written proof of loss must be given no later than 1 year after the time proof is otherwise due.
No benefits are payable for claims submitted more than 1 year after the time proof is due. However, You can request that benefits be paid for late claims if You can show that:

1. It was not reasonably possible to give written proof during the 1 year period, and
2. Proof of loss satisfactory to Us was given as soon as reasonably possible.

**Proof of Disability**

The following items, supplied at Your expense, must be a part of Your proof of loss. Failure to provide complete proof of loss may delay, suspend or terminate Your benefits.

1. The date Your Disability began;
2. The cause of Your Disability;
3. The prognosis of Your Disability;
4. Proof that You are receiving Appropriate and Regular Care for Your condition from a Doctor, who is someone other than You or a member of Your immediate family, whose specialty or expertise is the most appropriate for Your disabling condition(s) according to Generally Accepted Medical Practice.
5. Objective medical findings which support Your Disability. Objective medical findings include but are not limited to tests, procedures, or clinical examinations standardly accepted in the practice of medicine, for Your disabling condition(s).
6. The extent of Your Disability, including restrictions and limitations which are preventing You from performing Your Regular Occupation.
8. If You were contributing to the premium cost, the Policyholder must supply proof of Your appropriate payroll deductions.
9. The name and address of any Hospital or Health Care Facility where You have been treated for Your Disability.
10. If applicable, proof of incurred costs covered under other benefit provisions in the Policy.

**Continuing Proof of Disability**

You may be asked to submit proof that You continue to be Disabled and are continuing to receive Appropriate and Regular Care of a Doctor. Requests of this nature will only be made as often as reasonably necessary. If required, this will be at Your expense and must be received within 45 days of Our request. Failure to comply with such a request may delay, suspend or terminate Your benefits.

**Examination**

At Our expense, We have the right to have You examined as often as reasonably necessary while the claim continues. Failure to comply with this examination may result in denial, suspension or termination of benefits, unless We agree You have a valid and acceptable reason for not complying.

**Authorization and Documentation You will be asked to supply**

1. You will be required to provide signed authorization for Us to obtain and release all reasonably necessary medical, financial or other non-medical information in support of Your Disability claim. Failure to submit this information may deny, suspend or terminate Your benefits.
2. You will be required to supply proof that You have applied for other Deductible Sources of Income such as Workers’ Compensation or Social Security Disability benefits, when applicable.
3. You will be required to notify Us when You receive or are awarded other Deductible Sources of Income. You must tell Us the nature of the Deductible Source of Income, the amount received, the period to which the benefit applies, and the duration of the benefit if it is being paid in installments.
Time of Payment of Claim

As soon as We have all necessary substantiating documentation for Your Disability claim, We will pay Your benefit on a monthly basis, so long as You continue to qualify for it.

We will pay benefits to You unless otherwise indicated. If You die while Your claim is open, any due and unpaid Disability benefit will be paid, at Our option, to the surviving person or persons in the first of the following classes of successive preference: Your: 1) spouse; 2) children including legally adopted children; 3) parents; or 4) Your estate.

Indemnity for loss of life will be payable in accordance with the beneficiary designation and the provisions respecting such payment which may be prescribed herein and effective at the time of payment. If no such designation or provision is then effective, such indemnity shall be payable to the estate of the insured. Any other accrued indemnities unpaid at the insured's death may, at the option of the insurer, be paid either to such beneficiary or to such estate. All other indemnities will be payable to the insured.

If any benefit is payable to an estate, a minor or a person not competent to give a valid release, We may pay up to $1,000 to any relative of Yours whom We deem to be entitled to this amount. We will be discharged to the extent of such payment made by Us in good faith.

Can You assign Your benefits?

Your benefits are not assignable, which means that You may not transfer Your benefits to anyone else.

What will happen if a claim is overpaid?

A claim overpayment can occur when You receive a retroactive payment from a Deductible Source of Income when We inadvertently make an error in the calculation of Your claim; or if fraud occurs. The overpayment amount equals the amount We paid in excess of the amount We should have paid under the Policy.

We have the right to recover from You any amount that is an overpayment of benefits under the Policy. You must refund to us the overpaid amount. We may also, without forfeiting our right to collect an overpayment through any means legally available to Us, recover all or any portion of an overpayment by reducing or withholding future benefit payments, including the Minimum Monthly Benefit.

In an overpayment situation, We will determine the method by which the repayment is made. You will be required to sign an agreement with Us which details the source of the overpayment, the total amount We will recover and the method of recovery. If LTD Monthly Benefits are suspended while recovery of the overpayment is being made, suspension will also apply to the minimum LTD Monthly Benefits payable under the Policy.

Subrogation Right of Reimbursement

To the extent necessary for reimbursement of benefits paid to You, We are entitled to subrogation against a judgment or recovery received by You from a third party found liable for a wrongful act or omission that caused the Injury necessitating benefit payments.

If You intend to institute an action for damages against a third party, You must give Us reasonable notice of the intent to institute the action. You may request that We pay a proportionate share of the reasonable costs of the third party action, including attorney fees. If We elect not to participate in the cost of the action, We waive 50% of any subrogation rights. Our right of subrogation will be enforced only after You have been fully compensated for the Injury.

UNIFORM PROVISIONS

Entire Contract; Changes

The Policy, the Policyholder’s application, the Member’s certificate of coverage, and Your application, if any, and any other attached papers, form the entire contract between the parties. Coverage under the Policy can be amended by mutual consent between the Policyholder and Us. No change in the Policy is valid unless approved in writing by one of Our officers. No agent has the right to change the Policy or to waive any of its provisions.
**Statements on the Application**

In the absence of fraud, all statements made in any signed application are considered representations and not warranties (absolute guarantees). No representation by:

1. the **Policyholder** in applying for the Policy will make it void unless the representation is contained in the signed application; or

2. any **Member** in applying for insurance under the Policy will be used to reduce or deny a claim unless a copy of the application for insurance, signed by the **Member**.

Clerical error or omission by **Us** to the **Policyholder** will not:

1. Prevent **You** from receiving coverage, if **You** are entitled to coverage under the terms of the Policy; or

2. Cause coverage to begin or coverage to continue for **You** when the coverage would not otherwise be effective.  

   If the **Policyholder** gives **Us** information about **You** that is incorrect, **We** will:

   1. Use the facts to decide whether **You** have coverage under the Policy and in what amounts; and

   2. Make a fair adjustment of the premium.

**Misstatement of Age**

If **Your** age has been misstated, an equitable adjustment will be made in the premium. If the amount of the benefit is dependent upon **Your** age, as shown in the Benefit Duration Schedule, the amount of the benefit will be the amount **You** would have been entitled to if **Your** correct age were known.

   **Note:** A refund of premium will not be made for a period more than twelve months before the date the Company is advised of the error.

**Incontestability**

The validity of the Policy shall not be contested, except for non-payment of premiums, after it has been in force for two years from the date of issue. The validity of the Policy shall not be contested on the basis of a statement made relating to insurability by any person covered under the Policy after such insurance has been in force for two years during such person's lifetime, and shall not be contested unless the statement is contained in a written instrument signed by the person making such statement.

**Conformity with State Statutes and Regulations**

The provisions of the Policy conform to the minimum requirements of Montana law and control over any conflicting statutes of any state in which the Covered Person resides on or after the Effective Date of this Certificate.
