The State Plan offers the incentive program to all plan members and their enrolled spouse/domestic partner. If you think you may be unable to meet a standard of the incentive program, you may qualify for an alternative program or different means to earn the incentive. You must contact the Health Care & Benefits Division (HCBD) as soon as possible at (800) 287-8266, TTY (406) 444-1421, or email benefitsquestions@mt.gov. We will work with you (and if you wish, your doctor) to design a program with the same incentive that is right for you.

We will maintain the privacy of your personally identifiable health information. Medical information that personally identifies you and that is provided through the incentive program will not be used to make decisions regarding your employment. Your health information shall only be disclosed to carry out specific activities related to the incentive program (such as responding to your request for a reasonable accommodation). You will not be asked or required to waive the confidentiality of your health information to participate or to receive an incentive. Anyone who receives your information for purposes of providing you services through the incentive program will abide by the same confidentiality requirements. We securely maintain all electronically stored medical information we obtain through the incentive program and will take appropriate precautions to avoid a data breach. If a data breach does occur involving information you provided to us for the incentive program, we will notify you immediately. A copy of the Plan's privacy notice is available on the HCBD website or by going to <http://benefits.mt.gov/Portals/59/Documents/hipaa%20notice.pdf>.
