Last Chance for 2022 off-site health screening events in Bozeman, Libby, and Kalispell

Completing a State-sponsored Health Screening helps you earn a Live Life Well Incentive! You must complete a State-sponsored Health Screening by October 31, 2022, in addition to the other required Live Life Well Incentive Activities, to earn the Live Life Well Incentive for 2023.

Health screening appointments are available at all Montana Health Centers (Anaconda, Billings, Butte, Helena, Missoula) OR at an off-site event! Follow the directions below to make your health screening appointment.

Health Screening Requirements

- Only patients will be allowed to enter the health center or off-site screening events. Family members or other guests will not be permitted.
- Patients must bring their own face mask and wear it for the duration of their appointment. If you are a close contact with anyone with a suspected or confirmed case of COVID-19 and/or are experiencing any COVID-19 symptoms, please wear a high quality mask (such as N95) to your screening.
- Once inside the health center or off-site screening event, remember to maintain at least 6 feet of distance from others if possible.

- If you have already registered with MyPremiseHealth, you may make an appointment at mypremisehealth.com or in the Premise Health app.
- If you cannot attend your scheduled appointment for any reason, cancel your appointment as soon as you know you won’t be able to make it. Do not schedule multiple appointments.
- Schedule your appointment now to ensure you get your preferred date and to allow screening staff sufficient time to prepare for your appointment.
- Spouses and domestic partners must have their own health screening appointment.

The State Plan covers one State-sponsored Health Screening each Plan Year for members 18 years or older.

**Additional lab tests:** If you need to add an A1C, TSH, or PSA, you must bring a prescription/doctor’s orders with you to your appointment. No other tests can be added to off-site screenings. If you are attending a screening at a Montana Health Center, you may add additional lab (blood) tests with a prescription/doctor’s orders (some exclusions may apply).
