

Travel Assistance When You Are Away From Home

August 17, 2020

Dear State of Montana Benefit Plan (State Plan) Member,

Did you know that you have access to travel assistance when you are away from home? You and your spouse are covered with Travel Assistance - and so are kids through age 25.

Travel Assistance is available when you travel more than 100 miles from home or internationally for up to 180 days for business or pleasure. It offers aid before and during your trip.

As a State of Montana employee covered by the State Benefit Plan, your life insurance coverage provides a travel assistance program that protects you if you run into issues while you are away.

This includes credit card or passport replacement, help replacing lost prescription medication or contact lenses and even help with emergency evacuation to the nearest adequate medical facility.

For more information go to <http://benefits.mt.gov/Life-and-Accident/Travel-Assistance>. You can also refer to the attached printable brochure found at <https://www.standard.com/eforms/14684.pdf> for new contact information and information about the mobile app that is now available on your phone.
