LabCorp | Patient™

LabCorp Patient™ is an easy way to securely view your lab test results, pay your bill, and more from your smart phone, tablet, or desktop.

Sign up today:
https://patient.labcorp.com

Available on smart phones, tablets, and desktop.

Download on the App Store • GET IT ON Google Play
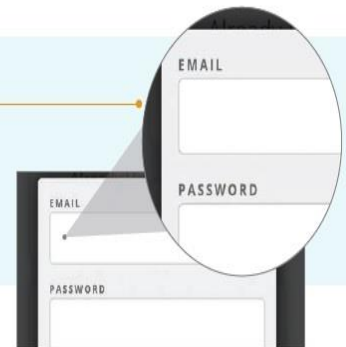

LabCorp

By using
LabCorp Patient, you can:

- Receive lab test results.*
- View and pay your electronic bill online easily and securely.
- Manage your profile and keep your contact information current.
- Manage and reset your own password.

*LabCorp will provide the test results to your doctor before releasing them to your LabCorp Patient account.

Getting Started

Visit https://patient.labcorp.com or download our installable app from your smart phone, tablet, or desktop.

EMAIL

PASSWORD

Step 1:
Sign up

Click **Create an Account**

Don't have a LabCorp Patient account?

Create an Account

All users must create an account in LabCorp Patient. Create an account by completing the New Registration form. You may have previously registered to use LabCorp Beacon®: Patient. You can continue to use your existing LabCorp Beacon: Patient User ID as your new User ID in LabCorp Patient.

After you have completed the New Registration Form, click **Create Account.**

Step 2:
Account verification

Email Verification

To verify your account via email on a desktop, you must open a new tab within your browser.

patient.labcorp.com/ui/register

LabCorp | Patient

New Registration

DO NOT close the New Registration form or click the back button on your browser.

🔒 Email Verification
Please check your email to receive your One-Time Verification Code.

ONE-TIME VERIFICATION CODE

VERIFY

The Account Created page will open where you will be able to sign in to your account **(See Step 3).**

Step 3:
Sign in
to your account

On the Account Created page, use the User ID and Password you created on the New Registration form, then click **Sign In** to access your LabCorp Patient account.
