The State Plan offers the incentive program to all enrolled employees (for the purpose of this disclaimer employees includes active employees, retirees, legislators, and primary COBRA participants) and their enrolled spouse/domestic partner. If you choose to participate in the incentive program, you will be asked to complete a voluntary program and provide documentation of meeting the incentive requirements. You will also be asked to obtain voluntary measurements from your health care provider (e.g. BMI). If you choose to participate, you will receive an off-cycle paycheck to the primary plan member, which is subject to taxes. If you are unable to participate in any of the health-related activities of the incentive program, you may qualify for a reasonable accommodation to earn the incentive. To request an accommodation, contact the Health Care & Benefits Division (HCBD) at (800) 287-8266, TTY (406) 444-1421, or email benefitsquestions@mt.gov. The information collected from your health-related activities will be used to determine your eligibility to earn the incentive. We are required by law to maintain the privacy and security of your personally identifiable health information.
